Item 1.01. Entry into a Material Definitive Agreement.

On May 24, 2018, NMI Holdings, Inc. (the "Company") entered into a credit agreement (the "Credit Agreement") with the lenders party thereto and JPMorgan Chase Bank, N.A., as administrative agent. The Credit Agreement provides for (i) a term loan credit facility (the "Term Loan Facility") in an aggregate principal amount of \$150 million that matures on May 24, 2023, and (ii) a revolving credit facility (the "Revolving Credit Facility") in an aggregate principal amount of up to \$85 million that matures on May 24, 2021. The Company used a portion of the net proceeds of the Term Loan Facility to refinance its obligations under the Existing Credit Agreement (as defined below). The Company will use the remaining net proceeds of the Term Loan Facility and the net proceeds of the Revolving Credit Facility for general corporate purposes. As of the date hereof, no borrowings have been made under the Revolving Credit Facility.

The Company's obligations under the Credit Agreement are guaranteed (the "Guarantee") by one of its subsidiaries, NMI Services, Inc. (the "Guarantor"). The Company's and the Guarantor's obligations under the Credit Agreement and the Guarantee, respectively, are secured by first-priority liens on substantially all the assets of the Company and the Guarantor, respectively, subject to certain exceptions.

The Company is required to make quarterly amortization payments in the amount of 1% per annum of the initial principal amount of the loans under the Term Loan Facility. Borrowings under the Term Loan Facility bear interest at a variable rate equal to, at the Company's option, (i) the Eurodollar Rate (as defined in the Credit Agreement, and subject to a floor of 1.00% per annum) plus 4.75%, or (ii) the Base Rate (as defined in the Credit Agreement, and subject to a floor of 2.00% per annum) plus 3.75% per annum.

Borrowings under the Revolving Credit Facility bear interest at a variable rate equal to, at the Company's option, (i) the Eurodollar Rate (subject to a floor of 0.00% per annum) plus a margin, or (ii) the Base Rate (subject to a floor of 1.00% per annum) plus a margin. The margin under the Revolving Credit Facility ranges from 2.00% to 3.50% per annum for Eurodollar Rate loans and 1.00% to 2.50% per annum for Base Rate loans, in each case based on the Company's credit ratings. Unused commitments under the Revolving Credit Facility are subject to a commitment fee accruing at a rate per annum that ranges from 0.30% to 0.60% per annum based on the Company's credit ratings.

The Credit Agreement contains restrictions and covenants applicable to the Company and its subsidiaries. Under both the Revolving Credit Facility and the Term Loan Facility, the Company may not permit the debt to total capitalization ratio of the Company and its subsidiaries to exceed 35% as of the last day of any fiscal quarter. Under the Revolving Credit Facility, the Company may not permit (i) the aggregate amount of unrestricted cash and cash equivalents held by the Company and the Guarantor to be less than \$10 million at any time when the Company does not have an investment-grade credit rating from both S&P and Moody's, (ii) the statutory capital of National Mortgage Insurance Corporation, the Company's primary insurance subsidiary ("NMIC"), to be less than \$414,424,624 as of the last day of any fiscal quarter, or (iii) the consolidated net worth of the Company to be, as of the last day of any fiscal quarter, less than the sum of (A) \$461,607,905, plus (B) 50% of cumulative consolidated net income of the Company and its subsidiaries for each fiscal quarter of the Company (beginning on June 30, 2018) for which such consolidated net income is positive, plus (C) 50% of any increase in the consolidated net worth of the Company after March 31, 2018 resulting from certain issuances of equity by or capital contributions to the Company or its subsidiaries. In addition, under the Revolving Credit Facility, NMIC must remain at all times in compliance with all applicable "financial requirements" imposed pursuant to the Private Mortgage Insurer Eligibility Requirements, subject to any allowed transition period or forbearance thereunder.

The Credit Agreement also contains customary covenants that limit, among other things, the ability of the Company and its subsidiaries to (i) incur indebtedness, (ii) incur liens on their property, (iii) pay dividends or make other distributions, (iv) sell their assets, (v) make certain loans or investments, (vi) merge or consolidate and (vii) enter into transactions with affiliates, in each case subject to certain exceptions. The Credit Agreement contains customary events of default.

The foregoing summary of the terms of the Credit Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Credit Agreement, which is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

On May 24, 2018, the Company issued a press release announcing its entry into the Credit Agreement. The press release is attached hereto as Exhibit 99.1.

Item 1.02. Termination of a Material Definitive Agreement.

On May 24, 2018, the Company repaid in full all outstanding obligations under that certain Credit Agreement, dated as of November 10, 2015 (as amended prior to the date hereof, the "Existing Credit Agreement"), among the Company, the lenders party thereto, and JPMorgan Chase Bank, N.A., as agent, in accordance with the optional prepayment provisions contained in the

Existing Credit Agreement, and the Existing Credit Agreement was terminated in accordance with its terms.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information in Item 1.01 above is incorporated by reference into this Item 2.03.

The Company may make only one borrowing under the Initial Term Loan Commitments, which shall be on the Closing Date. Amounts borrowed under this Section 2.01(a) and subsequently repaid or prepaid may not be reborrowed. Subject to Section 2.09, all amounts owed hereunder with respect to the Initial Term Loans shall be paid in full no later than the applicable Maturity Date. Each Initial Term Loan Commitment shall terminate immediately and without further action on the Closing Date, after giving effect to the funding of such Initial Term Loan Commitment on such date.

(b) Borrowing Mechanics for Initial Term Loans.

(i) The Company shall deliver to the Agent a fully executed Loan Notice with respect to the Initial Term Loans no later than (x) 10:00 a.m. (New York City time) on the Closing Date with respect to Base Rate Loans and (y) 3:00 p.m. (New York City time) on the date that is three (3) Business Days prior to the Closing Date with respect to Eurodollar Rate Loans (or such shorter period as may be acceptable to the Agent). Promptly upon receipt by the Agent of such Loan Notice, the Agent shall notify each Lender of the proposed Credit Extension.

(ii) Each Lender with an Initial Term Loan Commitment shall make its Initial Term Loan available to the Agent not later than 12:00 p.m. (New York City time) on the Closing Date, by wire transfer of same day funds in Dollars, at the Agent’s Office designated by the Agent. Upon satisfaction or waiver of the conditions precedent specified herein, the Agent shall make the proceeds of the Initial Term Loans available to the Company on the Closing Date by causing an amount of same day funds in Dollars equal to the proceeds of all such Initial Term Loans received by the Agent from Lenders to be credited to the account of the Company at the Agent’s Office or to such other account as may be designated in writing to the Agent by the Company.

Section 2.02. *Revolving Loans.*

(a) Revolving Commitments. During the Revolving Commitment Period, subject to the terms and conditions hereof, each Lender with a Revolving Commitment severally agrees to make Revolving Loans to the Company in an aggregate amount up to but not exceeding such Lender’s Revolving Commitment; *provided* that, after giving effect to the

making of any Revolving Loans, in no event shall the Total Utilization of Revolving Commitments exceed the Revolving Commitments then in effect. Amounts borrowed pursuant to this Section 2.02(a) may be repaid and reborrowed during the Revolving Commitment Period.

(b) Borrowing Mechanics for Revolving Loans.

(i) Revolving Loans shall be made in an aggregate minimum amount of \$2,500,000 and integral multiples of \$500,000 in excess of that amount.

(ii) Whenever the Company desires that Lenders make Revolving Loans, the Company shall deliver to the Agent a fully executed and delivered Loan Notice no later than 11:00 a.m. (New York City time) at least three Business Days in advance of the proposed Borrowing Date in the case of a Eurodollar Rate Loan, and no later than 11:00 a.m. (New York City time) on the proposed Borrowing Date in the case of a Base Rate Loan; *provided* that, if such Borrowing Date is the Closing Date, such Loan Notice may be delivered within such period shorter than three Business Days as may be agreed by the Agent with respect to Eurodollar Rate Loans. Except as otherwise provided herein, a Loan Notice for a Revolving Loan that is a Eurodollar Rate Loan shall be irrevocable on and after the related Interest Rate Determination Date.

(iii) Notice of receipt of each Loan Notice in respect of Revolving Loans, together with the amount of each Lender's Pro Rata Share thereof, if any, together with the applicable interest rate, shall be provided by the Agent to each applicable Lender by facsimile or other electronic communication with reasonable promptness, but (*provided* that the Agent shall have received such notice by 11:00 a.m. (New York City time)) not later than 3:00 p.m. (New York City time) in the case of a Eurodollar Rate Loan and no later than 2:00 p.m. (New York City time) in the case of a Base Rate Loan, in each case on the same day as the Agent's receipt of such Notice from the Company.

(iv) Each Lender shall make the amount of its Revolving Loan available to the Agent not later than 12:00 p.m. (New York City time) in the case of a Eurodollar Rate Loan and no later than 3:00 p.m. (New York City time) in the case of a Base Rate Loan, in each case on the applicable Borrowing Date by wire transfer of same day funds in Dollars, at the Agent's Office. Except as provided herein, upon satisfaction or waiver of the conditions precedent specified herein, the Agent shall make the proceeds of such Revolving Loans available to the Company on the applicable Borrowing Date by causing an amount of same day funds in Dollars equal to the proceeds of all such Revolving Loans received by the Agent from Lenders to be credited to the account of the Company at the Agent's Office or such other account as may be designated in writing to the Agent by the Company.

Section 2.03. *[Reserved]*.

Section 2.04. *[Reserved]*.

Section 2.05. *Pro Rata Shares.*

All Loans shall be made by the applicable Lenders simultaneously and in accordance with their respective Pro Rata Shares of the applicable Facility, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan requested hereunder nor shall any Term Loan Commitment or any Revolving Commitment of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan requested hereunder.

Section 2.06. *Conversion and Continuation of Loans.*

(a) Each conversion of Loans from one Interest Type to the other and each continuation of Eurodollar Rate Loans shall be made upon the Company's irrevocable written notice to the Agent in the form of a Conversion/Continuation Notice, appropriately completed and signed by a Responsible Officer of the Company. Each such Conversion/Continuation Notice must be received by the Agent not later than 3:00 p.m. (New York City time) three Business Days prior to the requested date of any conversion to or continuation of Eurodollar Rate Loans or of any conversion of Eurodollar Rate Loans to Base Rate Loans. The Agent shall determine the interest rate that shall apply to any converted or continued Eurodollar Rate Loans pursuant to Section 2.10(c).

(b) Each Conversion/Continuation Notice shall specify (i) whether the Company is requesting a conversion of Loans from one Interest Type to the other, or a continuation of Eurodollar Rate Loans, (ii) the requested date of the conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be converted or continued, (iv) the Interest Type of Loans to which existing Loans are to be converted, and (v) if applicable, the duration of the Interest Period with respect thereto (each such Interest Period shall comply with the provisions of the definition of “Interest Period”). For the avoidance of doubt, a Conversion/Continuation Notice shall be permitted to specify different treatment for different portions of the outstanding Loans that are the subject of such notice.

(c) Notwithstanding any contrary provision hereof, if (i) an Event of Default of the type described in Section 8.01(a), (f) or (g) has occurred and is continuing, unless the Required Lenders otherwise consent or (ii) any other Event of Default has occurred and is continuing and the Required Lenders have requested, each Loan will be converted into a Base Rate Loan at the end of the Interest Period applicable thereto.

Section 2.07. *Notes; Loan Accounts.*

(a) Each Loan made by each Lender shall be evidenced by one or more loan accounts or records maintained by such Lender and by the Agent in the ordinary course of business. The loan accounts or records maintained by the Agent and each Lender shall be conclusive evidence of the amount of the Loans made by the Lenders to the Company and the interest and payments thereon absent manifest error. Any failure so to record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Company hereunder to pay any amount owing with respect to the Loans. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Agent in respect of such matters, the accounts and records of the Agent shall control in the absence of manifest error.

(b) Upon the request of any Lender made through the Agent, instead of or in addition to loan accounts, the Loans made by each Lender may be evidenced by one or more Term Loan Notes or Revolving Loan Notes, substantially the form of Exhibit B-1 or Exhibit B-2, as applicable, hereto (each such note, a “**Note**”). Each Lender shall endorse on the schedules annexed to its Note the date, amount and maturity of each Loan deemed made by it and the amount of each payment of principal made by the Company with respect thereto. Each such Lender is irrevocably authorized by the Company to endorse its Note and each Lender’s record shall be conclusive absent manifest error; *provided* that the failure of a Lender to make, or an error in making, a notation thereon with respect to any Loan shall not limit or otherwise affect the obligations of the Company hereunder or under any such Note to such Lender.

Section 2.08 *Repayment of Loans.*

The Company shall repay to the Agent, for the ratable account of the Lenders with outstanding Initial Term Loans, the aggregate principal amount of Initial Term Loans set forth below, together with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment, on the following dates (or if any such date is not a Business Day, on the immediately preceding Business Day).

The Company shall repay any New Term Loans at the times, in the amounts, and in the manner specified in the applicable Joinder Agreement. The Company shall repay any Extended Term Loans at the times, in the amounts, and in the manner specified in the applicable Extension Amendments.

Notwithstanding the foregoing, (x) such amortization payments shall be reduced in accordance with Section 2.09(e) in connection with any voluntary or mandatory prepayments of the Term Loans of the applicable Term Loan Facility in accordance with Section 2.09; and (y) the Term Loans under each Term Loan Facility, together with all other amounts owed hereunder with respect thereto, shall, in any event, be paid in full no later than the Maturity Date applicable to such Term Loan Facility or, if earlier, the acceleration thereof pursuant to Section 8.02.

Each Revolving Commitment shall expire on the applicable Revolving Commitment Termination Date and all Revolving Loans and all other amounts owed hereunder with respect to the Revolving Loans and the Revolving Commitments shall be paid in full no on such date.

Section 2.09. *Optional and Mandatory Prepayments and Reductions of Commitments.*

(a) *Optional Prepayments.* The Company will have the right at any time to prepay any Borrowing in whole or in part, in minimum amounts of \$500,000 or any multiple of \$100,000 in excess thereof (or, if less, the entire outstanding principal amount of such Borrowing), subject to the provisions of this Section.

(b) *Voluntary Commitment Reductions.*

(i) The Company may, upon not less than three Business Days' prior written or telephonic notice to the Agent, at any time and from time to time terminate in whole or permanently reduce in part, without premium or penalty, the Revolving Commitments under any Revolving Facility in an amount up to the amount by which the Revolving Commitments under such Revolving Facility exceed the Total Utilization of Revolving Commitments under such Revolving Facility at

the time of such proposed termination or reduction; *provided* that any such partial reduction of the Revolving Commitments shall be in an aggregate minimum amount of \$2,500,000 and integral multiples of \$500,000 in excess of that amount.

(ii) The Company's notice to the Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and shall reduce the Revolving Commitment of each Lender under the applicable Revolving Facility proportionately to its Pro Rata Share thereof.

(c) *Prepayment Premium.* In the event that, on or prior to the date that is 6 months after the Closing Date, all or any portion of the Initial Term Loans is (x) prepaid pursuant to Section 2.09(a) or Section 2.09(d)(i) (in each case in connection with a Repricing Transaction) or (y) the subject of a Repricing Transaction, then the Company shall pay to the Agent, for the benefit of the Lenders holding the loans subject to such Repricing Transaction, a prepayment premium in an amount equal to 1.0% of the principal amount of the Initial Term Loans subject to such Repricing Transaction. If, on or prior to the date that is 6 months after the Closing Date, the Initial Term Loans held by a Lender are assigned pursuant to Section 10.14 as a result of such Lender being a Non-Consenting Lender in connection with a Repricing Transaction, the Company shall pay to the Agent, for the benefit of such Lender, without duplication of any prepayment premium paid pursuant to this Section 2.09(c), a prepayment premium in an amount equal to 1.0% of the principal amount of the Initial Term Loans of such Lender so assigned.

(d) *Mandatory Prepayments.* The Company shall be required to make mandatory prepayments as set forth in subclauses (i) to (iv) below:

(i) *Indebtedness.* Within one Business Day after any Net Proceeds are received by or on behalf of the Company or any Restricted Subsidiary in respect of the incurrence of any (A) Indebtedness not permitted hereunder, (B) Indebtedness pursuant to Section 7.01(a)(i)(B), or (C) Extended Loans, the Company shall prepay Loans (but limited, in the case of clauses (B) and (C) to the Loans to which such Refinancing Indebtedness or Extended Loans relate) in an aggregate amount equal to such Net Proceeds.

(ii) *Asset Sales.* Within five Business Days after any Net Proceeds are received by or on behalf of the Company or any Restricted Subsidiary in respect of any Asset Sale, the Company shall prepay the Term Loans in an aggregate amount equal to such Net Proceeds, *provided* that a prepayment of the Term Loans shall be required pursuant to this Section 2.09(d)(ii) only to the extent that the aggregate Net Proceeds of all Asset Sales during the term of this Agreement not otherwise applied in the manner described in clause (B) or (C) of this proviso or applied to prepay the Term Loans is equal to or less than \$15,000,000; (B) such Net Proceeds may be reinvested in the business of the Company or any of its Subsidiaries so long as, within 12 months after the receipt of such Net Proceeds, such reinvestment shall have been consummated or the Company or one or more of its Restricted Subsidiaries shall have entered into a definitive agreement for such application, and such application shall have been consummated no later than 18 months after the receipt of such Net Proceeds, such reinvestment shall have been consummated (as certified by the Company in writing to the Agent); *provided* that on or prior to such fifth Business Day after the receipt of such Net Proceeds, the Company shall have given written notice to the Agent of its intention to reinvest all or portion of such Net Proceeds in accordance with this Section 2.09(d)(ii)(B); and (C) any Net Proceeds not so applied by the conclusion of the 12th or 18th month, as the case may be, shall be immediately applied to the prepayment of the Term Loans as set forth in this Section 2.09(d)(ii). Notwithstanding anything herein to the contrary, Net Proceeds in respect of an Asset Sale that are received by a Foreign Subsidiary shall not be required to be prepaid pursuant to this Section 2.09(d)(ii) to the extent that the repatriation of such Net Proceeds to fund such prepayment (x) is prohibited, restricted or delayed by applicable law or (y) would result in material adverse tax consequences; *provided* in the case of the foregoing clause (y) that each of the Company and the applicable Foreign Subsidiary shall use commercially reasonable efforts to eliminate such tax effects in its reasonable control in order to make such prepayment.

(iii) *Casualty Events.* Within five Business Days after any Net Proceeds are received by or on behalf of the Company or any Restricted Subsidiary (other than an Insurance Subsidiary or a Subsidiary of an Insurance Subsidiary) in respect of any Casualty Event, the Company shall prepay Term Loans in an aggregate amount equal to such Net Proceeds; *provided* that: (A) a prepayment of Term Loans shall be required pursuant to this Section 2.09(d)(iii) only to the extent that the aggregate Net Proceeds of all Casualty Events during the term of this Agreement not otherwise applied in the manner described in clause (B) or (C) of this proviso or applied to prepay the Term Loans is equal to or less than \$15,000,000; (B) such Net Proceeds may be reinvested in the business of the Company or any of its Subsidiaries so long as, within 12 months

after the receipt of such Net Proceeds, such reinvestment shall have been consummated or the Company or one or more of its Restricted Subsidiaries shall have entered into a definitive agreement for such application, and such application shall have been consummated no later than 18 months after the receipt of such Net Proceeds, such reinvestment shall have been consummated (as certified by the Company in writing to the Agent); provided that on or prior to such fifth Business Day after the receipt of such Net Proceeds, the Company shall have given written notice to the Agent of its intention to reinvest all or portion of such Net Proceeds in accordance with this Section 2.09(d)(iii)(B); and (C) any Net Proceeds not so applied by the conclusion of the 12th or 18th month, as the case may be, shall be immediately applied to the prepayment of the Term Loans as set forth in this Section 2.09(d)(iii). Notwithstanding anything herein to the contrary, Net Proceeds in respect of a Casualty Event that are received by a Foreign Subsidiary shall not be required to be prepaid pursuant to this Section 2.09(d)(iii) to the extent that the repatriation of such Net Proceeds to fund such prepayment (x) is prohibited, restricted or delayed by applicable law or (y) would result in material adverse tax consequences; *provided* in the case of the foregoing clause (y) that each of the Company and the applicable Foreign Subsidiary shall use commercially reasonable efforts to eliminate such tax effects in its reasonable control in order to make such prepayment.

(iv) *Certain Payments.* Within five Business Days after the last day of each Fiscal Quarter (starting with the last day of the Fiscal Quarter ending June 30, 2018) in which the Company receives any Specified Distribution, the Company shall prepay Term Loans in an aggregate amount equal to 50% of all cash and Cash Equivalents received by the Company in respect of Specified Distributions during such Fiscal Quarter; *provided* that if, as of the end of the Fiscal Quarter immediately preceding such Specified Distributions, the Debt to Total Capitalization Ratio is (a) equal to or less than 30.0%, but greater than 20%, the prepayment requirement set forth in this Section 2.09(d)(iv) shall be reduced to 25% of all such cash and Cash Equivalents so received by the Company or (b) equal to or less than 20%, the prepayment requirement set forth in this Section 2.09(d)(iv) shall not apply; *provided further* that, at the option of the Company, the amount of such prepayments required pursuant to this Section 2.09(d)(iv) shall be reduced dollar for dollar by (x) the aggregate amount of voluntary prepayments of the Term Loans pursuant to Section 2.09(a) and voluntary prepayments of Indebtedness incurred pursuant to Section 7.01(a)(i)(B) made during such Fiscal Year and (y) the aggregate amount of voluntary prepayments of the Revolving Loans that were accompanied by a permanent reduction of the Revolving Commitments during such Fiscal Year.

(v) *Revolving Loans.* The Company shall from time to time prepay the Revolving Loans to the extent necessary so that the Total Utilization of Revolving Commitments shall not at any time exceed the Revolving Commitments then in effect.

(e) *Application of Prepayments.*

(i) Any prepayment of any Loan pursuant to Section 2.09(a) shall be applied to such Loans as and, in the case of a prepayment of Term Loans, to such principal repayment installments of the Term Loans so prepaid in the order that, the Company shall direct in writing to the Agent or, absent such direction, in direct order of maturity.

(ii) Any prepayment of any Loan pursuant to Section 2.09(d)(i) through (iv) shall be applied as follows:

(1) *first*, to prepay the Term Loans (or, in the case of a prepayment with the Net Proceeds of Refinancing Indebtedness or Extended Loans, solely among the Loans being refinanced or extended) on a *pro rata* basis; provided, that any Lender may elect, by notice to the Agent no later than one Business Day after the Agent's receipt of the notice of such prepayment, to decline all or any portion of any such prepayment of its Term Loans (other than a prepayment pursuant to Section 2.09(d)(i) or, for the avoidance of doubt, a prepayment pursuant to Section 2.09(a)), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans but was so declined shall be retained by the Company (such amount, the "**Declined Proceeds**") and added to the amount of Retained Distributions. Any prepayment of any Term Loans pursuant to Sections 2.09(d)(i) through (iv) shall be applied to the remaining scheduled principal repayment installments of the Loans so prepaid on a *pro rata* basis until paid in full;

(2) *second*, (solely in the case of Section 2.09(d)(i)) to prepay the Revolving Loans to the full extent thereof without any permanent reduction of the Revolving Commitments; and

(3) *third*, to the Company.

(iii) If at the time any amount is required to be paid pursuant to Section 2.09(d)(ii), (iii) or (iv), the Company is required to offer to repay or repurchase Permitted First Priority Refinancing Debt pursuant to the terms of the documentation governing such Indebtedness with any Net Proceeds of the applicable Asset Sales or Casualty Events or cash or Cash Equivalents in respect of a Restricted Payment of the type described in Section 2.09(d)(iv) (such Permitted First Priority Refinancing Debt required to be offered to be so repaid or repurchased, “**Other Applicable Indebtedness**”), then the Company may apply such Net Proceeds or cash and Cash Equivalents, as applicable, on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Loans and Other Applicable Indebtedness at such time; *provided*, that the portion of such Net Proceeds or cash and Cash Equivalents, as applicable, allocated to Other Applicable Indebtedness shall not exceed the amount of such Net Proceeds or cash and Cash Equivalents, as applicable, required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Proceeds or cash and Cash Equivalents shall be allocated to the Loans in accordance with the terms hereof) to the prepayment of the Loans and to the repayment or repurchase of such Other Applicable Indebtedness, and the amount of prepayment of the Loans that would have otherwise been required pursuant to Section 2.09(d)(ii), (iii) or (iv), as applicable, shall be reduced accordingly; *provided*, that to the extent the holders of Other Applicable Indebtedness decline to have such Indebtedness purchased, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Loans in accordance with the terms hereof.

(f) *Notice of Prepayments.* The Company shall notify the Agent in writing of any prepayment of any Credit Extension hereunder (other than pursuant to Section 2.09(d)(i)): (i) in the case of a Eurodollar Rate Loan, not later than 11:00 a.m. (New York City time) three Business Days before the date of prepayment and (ii) in the case of a Base Rate Loan, not later than 11:00 a.m. (New York City time) on the prepayment date. Each such notice shall be irrevocable (provided that such notice may state that it is conditional upon the satisfaction of one or more conditions specified therein) and shall specify the prepayment date, the principal amount of each Credit Extension or portion thereof to be prepaid and, in the case of a mandatory prepayment pursuant to Section 2.09(d), a reasonably detailed calculation of the amount of the Net Proceeds or cash Restricted Payment giving rise to such prepayment. Promptly after it receives any such notice, the Agent shall advise the Lenders of the contents thereof.

(g) *Application of Prepayments of Loans to Base Rate Loans and Eurodollar Rate Loans.* Any prepayment shall be applied first to Base Rate Loans to the full extent thereof before application to Eurodollar Rate Loans, in each case in a manner which minimizes the amount of any payments required to be made by the Company pursuant to Section 3.04.

Section 2.10. *Interest.*

(a) Except as otherwise set forth herein, the Loans shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof as follows:

(i) in the case of Revolving Loans:

(1) if a Base Rate Loan, at the Base Rate *plus* the Applicable Margin for the applicable Revolving Facility; or

(2) if a Eurodollar Rate Loan, at the Eurodollar Rate *plus* the Applicable Margin for the applicable Revolving Facility;

(ii) in the case of Term Loans:

(1) if a Base Rate Loan, at the Base Rate *plus* the Applicable Margin for the applicable Term Loan Facility; or

(2) if a Eurodollar Rate Loan, at the Eurodollar Rate *plus* the Applicable Margin for the applicable Term Loan Facility.

(b) The basis for determining the rate of interest with respect to any Loan, and the Interest Period with respect to any Eurodollar Rate Loan, shall be selected by the Company and notified to the Agent and Lenders pursuant to the applicable Loan Notice or Conversion/Continuation Notice, as the case may be; *provided* that the Company may not select the Eurodollar Rate for any Credit Extension if the aggregate amount of such Credit Extension is less than \$5,000,000.

(c) In connection with Eurodollar Rate Loans there shall be no more than ten (10) Interest Periods outstanding at any time. In the event the Company fails to specify between a Base Rate Loan or a Eurodollar Rate Loan in the applicable Loan Notice or Conversion/Continuation Notice, such Loan (if outstanding as a Eurodollar Rate Loan) will be automatically converted into a Base Rate Loan on the last day of the then-current Interest Period for such Loan (or if outstanding as a Base Rate Loan will remain as, or (if not then outstanding) will be made as, a Base Rate Loan). In the event the Company fails to specify an Interest Period for any Eurodollar Rate Loan in the applicable Loan Notice or Conversion/Continuation Notice (or fails to deliver a Conversion/Continuation Notice within the time limits provided in Section 2.06(a)), the Company shall be deemed to have selected an Interest Period of one month. As soon as practicable after 10:00 a.m. (New York City time) on each Interest Rate Determination Date, the Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the Eurodollar Rate Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to the Company and each Lender. At any time that Base Rate Loans are outstanding, the Agent shall notify the Company and the Lenders of any change in the U.S. Prime Rate used in determining the Base Rate promptly following the public announcement of such change.

(d) [reserved]

(e) [reserved].

(f) Notwithstanding the foregoing, upon the occurrence of any Event of Default pursuant to Section 8.01(a), for so long as such Event of Default shall be continuing, all overdue principal and interest payable on each Loan shall, without further notice, bear interest, after as well as before judgment to the extent permitted by law, at a rate *per annum* equal to 2.00% *plus* the rate otherwise applicable to such Loan as provided in the preceding subsections of this Section. In addition, if any fee or other amount (other than principal or interest on any Loan) payable by the Company pursuant to any Loan Document is not paid when due, whether upon acceleration or otherwise, such overdue amount shall bear interest, after as well as before judgment to the extent permitted by law, at a rate *per annum* equal to 2.00% *plus* the rate otherwise applicable to Base Rate Loans as provided in the preceding subsections of this Section.

(g) Interest on each Loan shall be paid in arrears on each Interest Payment Date for such Loan; *provided* that (i) interest accrued pursuant to Section 2.10(f) shall be payable on demand of the Agent, (ii) upon any repayment or prepayment of any Loan, interest accrued on the principal amount repaid shall be payable on the date of such repayment and (iii) upon any conversion of a Eurodollar Rate Loan before the end of the current Interest Period therefor, interest accrued on such Loan shall be payable on the effective date of such conversion.

(h) Anything herein to the contrary notwithstanding, the obligations of the Company to any Lender hereunder shall be subject to the limitation that payments of interest shall not be required for any period for which interest is computed hereunder to the extent (but only to the extent) that contracting for or receiving such payment by such Lender would be contrary to the provisions of any law applicable to such Lender limiting the highest rate of interest that may be lawfully contracted for, charged or received by such Lender, and in such event the Company shall pay such Lender interest at the highest rate permitted by applicable law until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Company shall pay to the Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the highest rate of interest that may be lawfully contracted for, charged or received had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and the Company to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the highest rate of interest that may be lawfully contracted for, charged or received by such

Lender, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Company.

Section 2.11. *Fees.*

(a) The Company agrees to pay to the Agent for the benefit of the Lenders having Revolving Exposure commitment fees equal to (1) the actual daily amount by which the Revolving Commitments exceeds the aggregate principal amount of all outstanding Revolving Loans, times (2) the Applicable Revolving Commitment Fee Percentage.

All fees referred to in this Section 2.11(a) shall be paid to the Agent at the Agent's Office and upon receipt, the Agent shall promptly distribute to each such Lender its Pro Rata Share thereof.

(b) All fees referred to in Section 2.11(a) shall be calculated pursuant to the second sentence of Section 2.12(a) and shall be payable quarterly in arrears on the last Business Day of March, June, September and December of each year during the Revolving Commitment Period, commencing on the first such date to occur after the Closing Date, and on the Revolving Commitment Termination Date.

(c) In addition to the foregoing, the Company shall pay to the Agent, for its own account, fees payable in the amounts and at the times separately agreed upon by the Company and the Agent (including, without limitation, as set forth in any fee letter by and between the Company and any Arranger). Such fees shall be fully earned when paid and shall not be refundable under any circumstances.

Section 2.12. *Computation of Fees and Interest.*

(a) All computations of interest for Base Rate Loans when the Base Rate is determined by the "U. S. Prime Rate" shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more interest being paid than if computed on the basis of a 365-day year). Interest and fees shall accrue during each period during which interest or such fees are computed from the first day thereof to the last day thereof.

(b) Each determination of an interest rate by the Agent shall be conclusive and binding on the Company and the Lenders in the absence of manifest error. The Agent will, at the request of the Company or any Lender, deliver to the Company or the Lender, as the case may be, a statement showing the quotations used by the Agent in determining any interest rate and the resulting interest rate.

Section 2.13. *Payments Generally.*

(a) All payments to be made by the Company under the Loan Documents shall be made without condition or deduction for any defense, set-off, recoupment or counterclaim. Except as otherwise expressly provided in any Loan Document, all payments to be made by the Company under any Loan Document shall be made to the Agent for the account of the Lenders at the Agent's Office, and shall be made in dollars and in immediately available funds, no later than 3:00 p.m. (New York City time) on the date specified in such Loan Document. The Agent will promptly distribute to each Lender under the applicable Facility its Pro Rata Share (or other applicable share as expressly provided herein) of such payment in like funds as received. Any payment received by the Agent later than 3:00 p.m. (New York City time) shall be deemed to have been received on the following Business Day and any applicable interest or fee shall continue to accrue.

(b) Subject to the provisions set forth in the definition of "**Interest Period**" herein, whenever any payment is due on a day other than a Business Day, such payment shall be made on the following Business Day, and such extension of time shall in such case be included in the computation of interest or fees, as the case may be.

(c) Unless the Company or any Lender has notified the Agent, prior to the date any payment is required to be made by it to the Agent hereunder, that the Company or such Lender, as the case may be, will not make such payment, the Agent may assume that the Company or such Lender, as the case may be, has timely made such payment and may (but shall

not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Agent in immediately available funds, then:

i. if the Company failed to make such payment, each applicable Lender shall forthwith on demand repay to the Agent the portion of such assumed payment that was made available to such Lender in immediately available funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Agent to such Lender to the date such amount is repaid to the Agent in immediately available funds at the Federal Funds Rate from time to time in effect; and

ii. if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Agent the amount thereof in immediately available funds, together with interest thereon for the period from the date such amount was made available by the Agent to the Company to the date such amount is recovered by the Agent (the “**Compensation Period**”) at the customary rate set by the Agent for the correction of errors among banks for three Business Days and thereafter at the Base Rate. If such Lender pays such amount to the Agent, then such amount shall constitute such Lender’s Loan included in the applicable Credit Extension. If such Lender does not pay such amount forthwith upon the Agent’s demand therefor, the Agent may make a demand therefor upon the Company, and the Company shall pay such amount to the Agent, together with interest thereon for the Compensation Period at a rate *per annum* equal to the applicable rate for Base Rate Loans to the applicable Credit Extension. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitments or to prejudice any rights that the Agent or the Company may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Agent to any Lender or the Company with respect to any amount owing under this subsection (c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article 2, and such funds are not made available to the Company by the Agent because the conditions to the extension of Loans set forth in Article 4 are not satisfied or waived in accordance with the terms hereof, the Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

Section 2.14. *Sharing of Payments by Lenders.*

(a) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment (a) on account of any Obligations due and payable hereunder and under the other Loan Documents at such time resulting in such Lender receiving payment in excess of its ratable share (calculated according to the proportion of (i) the amount of such Obligations due and payable to such Lender at such time to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time or (b) of or on account of any of Obligations owing (but not due and payable) to such Lender hereunder and under the other Loan Documents at such time in excess of its ratable share (calculated according to the proportion of (i) the amount of such Obligations owing (but not due and payable) to such Lender at such time to (ii) the aggregate amount of Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time) of payments on account of Obligations owing (but not due and payable) to all Lenders hereunder and under the other Loan Documents at such time obtained by all the Lenders at such time, then in each case, such Lender shall (x) notify the Agent of such fact, and (y) purchase (for cash at face value) participations in the Obligations of the other Lenders due and payable or owing, as the case may be, or make such other adjustments as shall be equitable, so that the benefit of such excess payments shall be shared by all such Lenders; *provided that*:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (1) any payment made by the Company pursuant to and in accordance with the express terms of this Agreement or (2) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, including to the Company or any Subsidiary thereof pursuant to Section 10.07(c).

(b) Each Obligor consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Obligor rights of setoff and counterclaim (subject to Section 10.09) with respect to such participation as fully as if such Lender were a direct creditor of such Obligor in the amount of such participation.

Section 2.15. *Incremental Facilities.*

(a) The Company may, by written notice to the Agent, elect to request (A) from time to time prior to the Revolving Commitment Termination Date, one or more increases to the then-existing Revolving Commitments (any such increase, “**New Revolving Commitments**”, and the loans made pursuant thereto, “**New Revolving Loans**”) in an aggregate amount not in excess of \$35,000,000 for all such increases, and/or (B) from time to time prior to the Maturity Date applicable to the Term Loans, the establishment of one or more new term loan commitments (“**New Term Loan Commitments**”, and the loans made pursuant thereto, “**New Term Loans**”); *provided*, that the aggregate amount of all such increases pursuant to the foregoing clauses (A) and (B) shall not exceed \$75,000,000. Each such notice shall specify the date (each, an “**Increased Amount Date**”) on which the Company proposes that the New Revolving Commitments or New Term Loan Commitments, as applicable, shall be effective and the identity of each Lender or other Person that is an Eligible Assignee (each, a “**New Revolving Loan Lender**” or “**New Term Loan Lender**”, as applicable) to whom the Company proposes any portion of such New Revolving Commitments or New Term Loan Commitments, as applicable, be allocated and the amounts of such allocations. If the Company elects to request that the Agent arrange the New Revolving Commitments or New Term Loan Commitments, the Agent may elect or decline to arrange such New Revolving Commitments or New Term Loan Commitments in its sole discretion, and any Lender approached to provide all or a portion of the New Revolving Commitments or New Term Loan Commitments may elect or decline, in its sole discretion, to provide a New Revolving Commitment or a New Term Loan Commitment. Such New Revolving Commitments or New Term Loan Commitments, as applicable, shall become effective as of such Increased Amount Date; *provided* that (1) no Default or Event of Default shall exist on such Increased Amount Date immediately before or after giving effect to such New Revolving Commitments or New Term Loan Commitments, as applicable; (2) immediately before and after giving effect to the making of any New Term Loans, the condition set forth in Section 4.02(b) shall be satisfied; (3) the Company and its Subsidiaries shall be in compliance on a Pro Forma Basis (including after giving effect to any transaction related to such incurrence of such New Revolving Commitment or New Term Loan Commitment and assuming the full amount thereof is drawn) with the Financial Covenants as of the last day of the most recently ended Fiscal Quarter for which financial statements have been delivered (and with respect to Section 7.12, as of such Increased Amount Date) after giving effect to such New Revolving Commitments or New Term Loan Commitments, as applicable; and (4) the Company shall deliver or cause to be delivered officer’s certificates and legal opinions substantially similar to those delivered on the Closing Date (as they may apply to such a transaction) to the extent reasonably requested by the Agent in connection with any such transaction. Notwithstanding the foregoing, if the proceeds of the New Term Loan Commitments or New Revolving Commitments, as applicable, will be applied to finance a Limited Condition Acquisition, compliance with clauses (1)-(3) shall be determined in accordance with Section 1.05.

(b) The terms and provisions of any New Term Loans and New Term Loan Commitments shall be as set forth herein and in the applicable Joinder Agreement; *provided* that:

(1) any New Term Loans and New Term Loan Commitments made on an Increased Amount Date may be designated as a separate Term Loan Facility or as an increase to an existing Term Loan Facility, in each case for all purposes of this Agreement, and any New Revolving Loans and New Revolving Commitments shall be documented solely as an increase to a Revolving Facility and shall have terms and provisions identical to those of such Revolving Facility;

(2) any New Term Loans and New Term Loan Commitments may rank *pari passu* or junior in right of payment and *pari passu* or junior in priority of security with the existing Term Loan Facilities or may be unsecured;

(3) in the event any New Term Loans rank *pari passu* in right of payment and *pari passu* in priority of security with the existing Term Loan Facilities, (i) the Weighted Average Life to Maturity of such New Term Loans shall be no shorter than the Weighted Average Life to Maturity of any existing Term Loan Facility, (ii) the applicable Maturity Date of such New Term Loans shall be no earlier than the Latest Maturity Date applicable to the existing Term Loan Facilities, (iii) the Weighted Average Yield applicable to any such New Term Loans shall not be greater than the applicable Weighted Average Yield with respect to the Initial Term Loans *plus 0.50% per annum* unless the Applicable Margin with respect to the Initial Term Loans is increased (which increase may, at the Company's election, be effected by the Company without the consent of any Lender) so as to cause the then applicable Weighted Average Yield of the Initial Term Loans to equal the Weighted Average Yield then applicable to such New Term Loans *minus 0.50% per annum*, and (iv) such New Term Loans and New Term Loan Commitments shall be subject to covenants and events of default applicable to substantially the same as, or that are in the good faith judgment of the Company, not less materially more favorable, on the whole, to the Lenders providing such New Term Loans and New Term Loan Commitments than, those applicable to the existing Term Loan Facilities (except for covenants, events of default or other provisions that are applicable only after the occurrence of the Latest Maturity Date applicable to the existing Term Loan Facilities);

(4) in the event any New Term Loans and New Term Loan Commitments (x) rank junior in right of payment or junior in priority of security with the existing Term Loan Facilities or (y) are unsecured, such New Term Loans or New Term Loan Commitments shall not mature, or have amortization (other than customary mandatory prepayments upon asset sales or casualty events), in each case, prior to the date that is six months after the Latest Maturity Date applicable to any existing Term Loan Facility that is senior in right of payment or priority to such New Term Loans and New Term Loan Commitments and (ii) be subject to covenants and events of default substantially the same as, or that are in the good faith judgment of the Company, not materially more favorable, on the whole, to the Lenders providing such New Term Loans and New Term Loan Commitments than, those applicable to any existing Term Loan Facility (except for covenants, events of default or other provisions that are applicable only after the occurrence of the Latest Maturity Date applicable to the existing Term Loan Facilities);

(5) the New Term Loans and New Term Loan Commitments may participate on a *pro rata* basis or less than *pro rata* basis (but not on a greater than *pro rata* basis) in any voluntary prepayments pursuant to Section 2.09(a) or any mandatory prepayments of the Initial Term Loans under Section 2.09(d), as specified in the applicable Joinder Agreement;

(6) the New Term Loans and New Term Loan Commitments shall (i) to the extent secured or subordinated, be subject to customary intercreditor and/or subordination arrangements reasonably satisfactory to the Company and the Agent and (ii) be guaranteed solely by the Subsidiary Guarantors and, to the extent secured, be secured solely by the Collateral.

(c) All New Revolving Commitments and New Term Loan Commitments shall be effected pursuant to one or more Joinder Agreements executed and delivered by the Company, the New Revolving Loan Lender(s) or New Term Loan Lender(s), as applicable, and the Agent, each of which shall be recorded in the Register. Each Joinder Agreement may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Agent, to effect the provisions of this Section 2.15. Each New Revolving Commitment and New Term Loan Commitment shall be deemed for all purposes a Revolving Commitment or Term Loan Commitment, respectively, each New Revolving Loan or New Term Loan shall be deemed for all purposes a Revolving Loan or Term Loan, respectively, and each New Revolving Loan Lender and New Term Loan Lender shall become a Lender hereunder. This Section 2.15(c) shall supersede any provisions of Section 2.14 or 10.01 to the contrary.

(d) On any Increased Amount Date on which New Revolving Commitments are effected, subject to the satisfaction of the foregoing terms and conditions, each of the existing Revolving Loan Lenders shall assign to each of the New Revolving Loan Lenders, and each of the New Revolving Loan Lenders shall purchase from each of the existing Revolving Loan Lenders, at the principal amount thereof (together with accrued interest), such interests in the Revolving Loans outstanding on such Increased Amount Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by then-existing Revolving Loan Lenders and New Revolving Loan Lenders ratably in accordance with their Revolving Commitments after giving effect to the addition of such New Revolving Commitments to the Revolving Commitments.

(e) On any Increased Amount Date on which any New Term Loan Commitments are effective (or on such later date as may be provided in the applicable Joinder Agreement), subject to the satisfaction of the foregoing terms and conditions, each New Term Loan Lender shall (x) make New Term Loan in an amount equal to its New Term Loan Commitment, and (ii) become a Lender hereunder (to the extent not already a Lender hereunder) pursuant to the applicable Joinder Agreement.

(f) The Agent shall notify Lenders promptly upon receipt of the Company's notice of each Increased Amount Date and in respect thereof (y) the New Revolving Commitments and the New Revolving Loan Lenders or the New Term Loan Commitments and New Term Loan Lenders, and (z) in the case of each notice to any Revolving Loan Lender, the respective interests in such Revolving Loan Lender's Revolving Loans, in each case subject to the assignments contemplated by this Section 2.15.

Section 2.16. *Defaulting Lenders.*

(i) Defaulting Lender Waterfall. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law, any payment of principal, interest, fees or other amounts received by the Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article 8 or otherwise) or received by the Agent from a Defaulting Lender pursuant to Section 10.09 shall be applied at such time or times as may be determined by the Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Agent hereunder; *second*, as the Company may request (so long as no Default or Event of Default shall have occurred and be continuing), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Agent; *third*, if so determined by the Agent and the Company, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default shall have occurred and be continuing, to the payment of any amounts owing to the Company as a result of any judgment of a court of competent jurisdiction obtained by the Company against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth* to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders pro rata in accordance with the applicable Commitments. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(ii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.11(a) for any period during which that Lender is a Defaulting Lender (and the Company shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender);

(B) With respect to any fees not required to be paid to any Defaulting Lender pursuant to clause (A) above, the Company shall not be required to pay the remaining amount of any such fee.

(b) Defaulting Lender Cure. If the Company and the Agent agree in writing that a Lender is no longer a Defaulting Lender, the Agent will so notify the parties hereto, whereupon, as of the effective date specified in such notice, and subject to any conditions set forth therein, such Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Agent may determine to be necessary to cause the Loans to be held pro rata by the Lenders in accordance with the applicable Commitments, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Company while that Lender was a Defaulting Lender; and provided, further, that, except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

Section 2.17. *Maturity Extensions of Loans.*

(a) The Company may from time to time, pursuant to the provisions of this Section 2.17, agree with one or more Lenders (each an “**Existing Lender**”) holding Loans and/or Commitments under a Facility (the “**Existing Facility**”) to extend the Maturity Date of such Facility and to provide for other terms consistent with this Section 2.17 (each such modification, an “**Extension**”; and any Term Loans so extended, “**Extended Term Loans**”; and any Revolving Commitments and Revolving Loans so extended, “**Extended Revolving Commitments**” and “**Extended Revolving Loans**,” respectively) pursuant to one or more written offers (each an “**Extension Offer**”) made from time to time by the Company to all Lenders under such Existing Facility on a pro rata basis (based on the Pro Rata Share of each Lender with respect to such Existing Facility) and on the same terms to each such Lender. In connection with each Extension, the Company will provide notification to the Agent (for distribution to the Existing Lenders), no later than 30 days prior to the Maturity Date of the applicable Existing Facility, of the requested new maturity date (the “**Extended Maturity Date**”) for the Extended Facility and the due date for Lender responses. In connection with any Extension, each Existing Lender wishing to participate in such Extension shall, prior to such due date, provide the Agent with a written notice thereof in a form reasonably satisfactory to the Agent. Any Existing Lender that does not respond to an Extension Offer by the applicable due date shall be deemed to have rejected such Extension. In connection with any Extension, the Company shall agree to such procedures, if any, as may be reasonably established by, or acceptable to, the Agent to accomplish the purposes of this Section 2.17.

(b) After giving effect to any Extension, the Loans and Commitments so extended shall cease to be a part of the Facility of which they were a part immediately prior to such Extension and shall be a new Facility hereunder; *provided* that no such Extension shall cause the total number of Facilities hereunder to exceed seven (7).

(c) The consummation and effectiveness of each Extension shall be subject to the following:

(i) no Default or Event of Default shall have occurred and be continuing at the time any Extension Offer is delivered to the Lenders or at the time of such Extension (after giving effect to such Extension);

(ii) the Extended Loans and Extended Revolving Commitments of any Existing Lender established pursuant to any Extension shall have the same terms as the corresponding Loans and Commitments of such Existing Lender subject to the applicable Extension; except (A) the principal amount of such Loans and Commitments shall not be greater than the principal amount of the applicable Loans and Commitments under the applicable Existing Facility (except by an amount equal to unpaid accrued interest and premium thereon *plus* other reasonable amounts paid, and fees and expenses reasonably incurred, in connection with such Extension), (B) the Extended Maturity Date of such Loans and Commitments shall be not earlier than the Latest Maturity Date under the applicable Existing Facility at the time of such Extension, and in the case of an Extended Term Loan Facility, the Weighted Average Life to Maturity of the Term Loans thereunder shall be no shorter than the Weighted Average Life to Maturity of the Term Loans outstanding under the applicable Existing Facility at the time of such Extension, (C) the obligations under the Extended Facility shall not be guaranteed by any Subsidiary that is not a Subsidiary Guarantor, (D) the Extended Facility shall be (1) unsecured, (2) secured on an “equal and ratable” basis with the Obligations, or (3) secured on a “junior” basis to the Obligations (in the case of clause (3), subject to intercreditor arrangements reasonably satisfactory to the Agent), and if secured, shall not be secured by any property or assets of the Company and its Restricted Subsidiaries other than the Collateral, (E) the all-in pricing (including, without limitation, margins, fees and premiums) with respect to the Extended Facility may be higher or lower than the all-in pricing (including, without limitation, margins, fees and premiums) for the applicable Existing Facility, and the Extended Facility

may have such optional prepayment terms as may be agreed by the Company and the applicable Lenders thereof; (F) the Extended Facility shall share ratably with the applicable Existing Facility in any prepayment of Loans pursuant to Section 2.09(d) (or otherwise provide for less favorable prepayment treatment for such Extended Facility than for the Existing Facility); (G) the Extended Facility may, but shall not be required to, contain a “most favored nation” provision for the benefit of Lenders with respect to such Extended Facility; and (H) the other terms and conditions applicable to the Extended Facility may be terms different than those with respect to the Existing Facility, so long as such terms and conditions (1) are, in the good-faith judgment of the Company, not materially more favorable, on the whole, to the Lenders with respect to the Extended Facility than the terms and conditions applicable to the applicable Existing Facility at the time of such Extension, or (2) only apply after the Latest Maturity Date of the applicable Existing Facility or are acceptable to the Agent in its reasonable discretion; *provided, further,* that, notwithstanding the provisions of Section 10.01, each Extension Amendment may, without the consent of any Lender other than the applicable extending Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Agent and the Company, to give effect to the provisions of this Section 2.17, including any amendments necessary to treat the applicable Loans and/or Commitments of the extending Lenders as a new Facility hereunder;

(iii) all documentation in respect of such Extension shall be consistent with the foregoing, and all written communications by the Company generally directed to the applicable Lenders in connection therewith shall be consistent with the foregoing and otherwise reasonably satisfactory to the Agent;

(iv) a minimum amount in respect of such Extension (to be determined in the Company’s discretion and specified in the relevant Extension Offer, but in no event less than \$25,000,000, unless another amount is agreed to by the Agent in its reasonable discretion) shall be satisfied (the “**Minimum Extension Condition**”); and

(v) no Extension shall become effective unless, on the proposed effective date of such Extension, the conditions set forth in paragraphs (a), (b) and (c) of Section 4.02 shall be satisfied (with all references in such paragraphs to the making of a Loan being deemed to be references to the Extension on the applicable date of such Extension), and the Agent shall have received a certificate to that effect dated the applicable date of such Extension and executed by a Responsible Officer of the Company.

(d) For the avoidance of doubt, it is understood and agreed that the provisions of Section 2.14 and Section 10.01 will not apply to any payment of interest or fees in respect of any Extended Facility that have been extended pursuant to an Extension at a rate or rates different from those paid or payable in respect of any other Facility, in each case as is set forth in the relevant Extension Offer made pursuant to and in accordance with the provisions of this Section 2.17 with respect to such Extensions of Loans.

(e) No Lender who rejects any request for an Extension shall be deemed a Non-Consenting Lender for purposes of Section 10.14 as a result of such rejection.

(f) The Lenders hereby irrevocably authorize the Agent to enter into amendments (collectively, “**Extension Amendments**”) to this Agreement and the other Loan Documents as may be necessary in order to effect the provisions of this Section 2.17, including to establish new Extended Facilities created pursuant to an Extension, on terms consistent with this Section 2.17. All such Extension Amendments entered into with the Company by the Agent hereunder shall be binding on the Lenders. Without limiting the foregoing, in connection with any Extension, (i) the Company and the appropriate Subsidiaries shall (at their expense) amend (and the Agent is hereby directed to amend) any Loan Document that the Agent reasonably requests to be amended to reflect the then-latest Extended Maturity Date (or such later date as may be advised by local counsel to the Agent, in the case of any Mortgage (as defined in the Guarantee and Security Agreement)) and to give effect to the provisions of this Section 2.17 and (ii) the Company and the appropriate Subsidiaries shall deliver board resolutions, secretary’s certificates, officer’s certificates and other documents as shall reasonably be requested by the Agent in connection therewith and, if requested by the Agent, a legal opinion of counsel in form and substance reasonably acceptable to the Agent.

(g) Promptly following the consummation and effectiveness of any Extension, the Company will furnish to the Agent (who shall promptly furnish to each Lender) written notice setting forth the Extended Maturity Date and material

economic terms of the Extension and the aggregate principal amount of Extended Loans and Extended Revolving Commitments after giving effect to the Extension and attaching a copy of the fully executed Extension Amendment.

ARTICLE 3
TAXES, YIELD PROTECTION AND ILLEGALITY

Section 3.01. *Taxes.*

(a) Payments Free of Indemnified Taxes and Other Taxes. Any and all payments by or on account of any obligation of any Obligor hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes except as required by applicable law, *provided* that if an Obligor or any applicable withholding agent shall be required by applicable law (as determined in the good faith discretion of the Obligor or the applicable withholding agent) to deduct or withhold any Indemnified Taxes from such payments, then, (i) the Obligor or the applicable withholding agent shall make such deductions or withholdings, (ii) the Obligor or the applicable withholding agent shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and (iii) the sum payable by the Obligor shall be increased as necessary so that after all required deductions or withholdings have been made (including deductions applicable to additional sums payable under this Section) the Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions or withholdings been made.

(b) Payment of Other Taxes by the Company. Without limiting the provisions of subsection (a) above, the Company shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Agent timely reimburse it for the payment of, any Other Taxes.

(c) Indemnification by the Company. Without duplication of Section 3.01(a), the Company shall indemnify the Agent and each Lender, within 10 Business Days after written demand therefor, for the full amount of any Indemnified Taxes in respect of payments under any Loan Document (including Indemnified Taxes imposed on or attributable to amounts payable under this Section) that are imposed on or payable by the Agent or such Lender (or required to be withheld or deducted from a payment to the Agent or such Lender), as the case may be, and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth the amount of such payment or liability delivered to the Company by a Lender (with a copy to the Agent), or by the Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Obligor to a Governmental Authority, the Company shall deliver to the Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment or other evidence of such payment reasonably satisfactory to the Agent.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Agent, within 10 Business Days after written demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Company has not already indemnified the Agent for such Indemnified Taxes and without limiting the obligation of the Company to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07 (d) relating to the maintenance of a Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Agent to the Lender from any other source against any amount due to the Agent under this paragraph (e).

(f) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Company and the Agent, at the time or times reasonably requested by the Company or the Agent, such properly completed and executed documentation reasonably

requested by the Company or the Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Company or the Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company or the Agent as will enable the Company or the Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(f)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a "United States Person" within the meaning of Section 7701(a)(30) of the Code shall deliver to the Company and the Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit G-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Company within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-2 or Exhibit G-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit G-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Company and the Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Company or the Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Company and the Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Agent as may be necessary for the Company and the Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Company and the Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If the Agent or any Lender determines, in its good faith discretion, that it has received a refund (whether received in cash or applied as an offset against other Taxes due) of any Taxes as to which it has been indemnified by an Obligor or with respect to which an Obligor has paid additional amounts pursuant to this Section, it shall promptly pay to the Company an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by an Obligor under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of the Agent or such Lender (including Taxes), as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that the Company, upon the request of the Agent or such Lender, agrees to repay the amount paid over to the Company (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Agent or such Lender in the event the Agent or such Lender is required to repay such refund to such Governmental Authority. Such Lender or Agent, as the case may be, shall, at the Company's reasonable request, provide the Company with a copy of any notice of assessment or other evidence reasonably satisfactory to the Company of the requirement to repay such refund received from the relevant taxing authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This subsection shall not be construed to require the Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Company or any other Person.

Section 3.02. *Illegality.*

(a) If any Lender reasonably and in good faith determines that the introduction of any Requirement of Law, or any change in any Requirement of Law, or in the interpretation or administration of any Requirement of Law, after the Closing Date, has made it unlawful, or that any central bank or other Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make Eurodollar Rate Loans, then, on notice thereof by the Lender to the Company through the Agent, any obligation of that Lender to make Eurodollar Rate Loans shall be suspended until the Lender notifies the Agent and the Company that the circumstances giving rise to such determination no longer exist.

(b) If a Lender reasonably and in good faith determines that it is unlawful for such Lender to maintain any Eurodollar Rate Loan after the Closing Date in the circumstances described in Section 3.02(a), the Company shall, upon its receipt of written notice of such fact and demand from such Lender (with a copy to the Agent), prepay in full such Eurodollar Rate Loans of that Lender then outstanding, together with interest accrued thereon and amounts required under Section 3.04, either on the last day of the Interest Period thereof, if the Lender may lawfully continue to maintain such Eurodollar Rate Loans to such day, or immediately, if the Lender may not lawfully continue to maintain such Eurodollar Rate Loan. If the Company is required to so prepay any Eurodollar Rate Loan, then concurrently with such prepayment, the Company shall borrow from the affected Lender, in the amount of such prepayment, a Base Rate Loan.

(c) If the obligation of any Lender to make or maintain Eurodollar Rate Loans has been so terminated or suspended, the Company may elect, by giving notice to the Lender through the Agent, that all Loans which would otherwise be made or maintained by the Lender as Eurodollar Rate Loans shall instead be Base Rate Loans.

(d) Before giving any notice to the Agent under this Section 3.02, the affected Lender shall designate a different Lending Office with respect to its Eurodollar Rate Loans if such designation will avoid the need for giving such notice or making such demand and will not, in the judgment of the Lender, be illegal or otherwise materially disadvantageous to the Lender.

Section 3.03. *Increased Costs and Reduction of Return.*

(a) If any Lender reasonably and in good faith determines that, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) the compliance by that Lender with any guideline promulgated by or any request from any central bank or other Governmental Authority (whether or not having the force of law) in each case after the Closing Date, there shall be any increase in the cost including Taxes (other than (i) Excluded Taxes and (ii) Indemnified Taxes that are covered by Section 3.01) to such Lender of agreeing to make or making, funding or maintaining any Eurodollar Rate Loans, then the Company shall be liable for, and shall from time to time, promptly upon demand, pay to the Agent for the account of such Lender, additional amounts as are sufficient to compensate such Lender for such increased costs; *provided* that such Lender shall only be entitled to seek such additional amounts if such Lender is generally seeking the payment of similar additional amounts from similarly situated borrowers to whom it has extended credit (as certified by such Lender in the written demand required under this Section 3.03(a)). Notwithstanding anything herein to the contrary, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all rules, regulations, orders, requests, guidelines or directives in connection therewith, and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to have been adopted and to have taken effect after the date hereof.

(b) If any Lender reasonably and in good faith shall have determined that (i) the introduction of any Capital Adequacy Regulation, (ii) any change in any Capital Adequacy Regulation, (iii) any change in the interpretation or administration of any Capital Adequacy Regulation by any central bank or other Governmental Authority charged with the interpretation or administration thereof, or (iv) compliance by the Lender (or its Lending Office) or any corporation controlling the Lender with any Capital Adequacy Regulation, in each case after the Closing Date, affects or would affect the amount of capital or liquidity required or expected to be maintained by the Lender or any corporation controlling the Lender and (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy and liquidity, and such Lender's desired return on capital) determines that the amount of such capital is increased as a consequence of its Commitment, Loans, credits or obligations under this Agreement, then, thirty (30) days after written demand by such Lender to the Company through the Agent, the Company shall pay to the Lender, from time to time as specified by the Lender, additional amounts sufficient to compensate the Lender for such increase; *provided* that such Lender shall only be entitled to seek such additional amounts if such Lender is generally seeking the payment of similar additional amounts from similarly situated borrowers to whom it has extended credit (as certified by such Lender in the written demand required under this Section 3.03(b)); *provided, further*, that the Company shall not be required to compensate a Lender for any such increases in capital for any period more than 270 days prior to the date such Lender delivers such demand; *provided, further*, that if the circumstances giving rise to such claim have a retroactive effect, then such 270-day period shall be extended to include the period of such retroactive effect.

Section 3.04 *Funding Losses.*

The Company shall compensate each Lender, upon written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including any interest paid or payable by such Lender to Lenders of funds borrowed by it to make or carry its Eurodollar Rate Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender has actually incurred (without duplication of any amounts to which such Lender is otherwise entitled pursuant to the other provisions of this Article 3):

(a) if for any reason (other than a default by such Lender) a Credit Extension of any Eurodollar Rate Loan does not occur on a date specified therefor in a Loan Notice, or a conversion to or continuation of any Eurodollar Rate Loan does not occur on a date specified therefor in a Conversion/Continuation Notice;

(b) if any prepayment or other principal payment of, or any conversion of, any of its Eurodollar Rate Loans occurs on a date prior to the last day of an Interest Period applicable to that Loan;

(c) if any prepayment of any of its Eurodollar Rate Loans is not made on any date specified in a notice of prepayment given by the Company; or

(d) due to an assignment of a Eurodollar Rate Loan other than on the last day of an Interest Period with respect thereto pursuant to Section 10.14.

including any such loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain its Eurodollar Rate Loans or from fees payable to terminate the deposits from which such funds were obtained, but excluding any administrative fee or other amount chargeable by such Lender for the calculation of such loss. For purposes of calculating amounts payable by the Company to the Lenders under this Section 3.04 and under Section 3.03(a), each Eurodollar Rate Loan made by a Lender (and each related reserve, special deposit or similar requirement) shall be conclusively deemed to have been funded at the Eurodollar Rate used in determining the Eurodollar Rate for such Eurodollar Rate Loan (but without giving effect to the proviso to the definition of "Eurodollar Rate") by a matching deposit or other borrowing in the London interbank market for a comparable amount and for a comparable period, whether or not such Eurodollar Rate Loan is in fact so funded.

Section 3.05. *Inability to Determine Rates.*

(a) If prior to the commencement of any Interest Period for any Borrowing of Eurodollar Rate Loans: (i) the Agent determines that for any reason adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan, or (ii) the Required Lenders determine that for any reason adequate and reasonable means do not exist for determining the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan, or that the Eurodollar Rate for any requested Interest Period with respect to a proposed Eurodollar Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Agent will promptly so notify the Company and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurodollar Rate Loans shall be suspended until the Agent or the Required Lenders revoke such notice in writing. Upon receipt of such notice, the Company may revoke any Conversion/Continuation Notice then submitted by it pursuant to Section 2.06. If the Company does not revoke such Conversion/Continuation Notice, the Lenders shall make, convert or continue the Loans, as proposed by the Company, in the amount specified in the applicable notice submitted by the Company, but such Loans shall be made, converted or continued as Base Rate Loans instead of Eurodollar Rate Loans. Notwithstanding the foregoing, (x) the Agent and each Lender shall take any reasonable actions available to them (including designation of different Lending Offices), consistent with legal and regulatory restrictions, that will avoid the need to take the steps described in this Section 3.05, which will not, in the reasonable judgment of the Agent or such Lender, be materially disadvantageous to the Agent, such Lender or the Company, as compared to the steps described in this Section 3.05, and (y) in the event that the Agent or the Required Lenders shall make any determination of the type described in this Section 3.05, they shall do so in a manner consistent with the then-prevailing market practice and in a manner consistent with the Agent and each such Lender's determinations with respect to loans to other similarly situated borrowers to whom it has extended credit.

(b) If at any time the Agent determines (which determination shall be made by notice to the Company), or either the Company or the Required Lenders notify the Agent (with, in the case of the Required Lenders, a copy to the Company) that the Company or such Required Lenders (as applicable) have determined, that: (i) the circumstances set forth in clause (a)(i) have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) have not arisen but the supervisor for the administrator of the Eurodollar Screen Rate or a Governmental Authority having jurisdiction over the Agent has made a public statement identifying a specific date after which the Eurodollar Screen Rate shall no longer be used for determining interest rates for loans, then, reasonably promptly after such determination by the Agent or receipt by the Agent of such notice, as applicable, the Agent and the Company may amend this Agreement to

establish an alternate benchmark rate of interest to the Eurodollar Rate (including any mathematical or other adjustments to the benchmark (if any) incorporated therein) that gives due consideration to any evolving or then existing convention for determining a rate of interest for syndicated loans of this type in the United States at such time (any such proposed rate, a “**LIBOR Successor Rate**”), and, notwithstanding anything to the contrary in Section 10.01, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Agent shall not have received, by 5:00 pm on the date that is five Business Days after the date such amendment is provided to the Lenders, a written notice from the Required Lenders stating that such Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 3.05(b), only to the extent the Eurodollar Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any request that the conversion of any Borrowing to, or continuation of any Borrowing as, a Borrowing of Eurodollar Rate Loans shall be ineffective and (y) if any Loan Notice requests a Borrowing of Eurodollar Rate Loans, such Borrowing shall be made as a Borrowing of Base Rate Loans. Notwithstanding anything else herein, any definition of the LIBOR Successor Rate shall provide that in no event shall such LIBOR Successor Rate be less than zero for the purposes of this Agreement.

Section 3.06. *Certificates of Lenders.*

Any Lender claiming reimbursement or compensation under this Article 3 shall deliver to the Company (with a copy to the Agent) a certificate setting forth in reasonable detail the amount payable to the Lender hereunder and such certificate shall be conclusive and binding on the Company in the absence of demonstrable error. Such certificate shall set forth in reasonable detail the methodology used in determining the amount payable to the Lender.

Section 3.07. *Substitution of Lenders.*

If the Company receives notice from any Lender of a claim for compensation under Section 3.01, 3.02 or 3.03, or any Lender invokes the provisions of Section 3.02, the Company may, upon notice to such Lender and the Agent, replace such Lender by causing such Lender to assign its Loans and Commitments (with the assignment fee to be paid by the Company in such instance) pursuant to Section 10.07(b) to one or more other Lenders or Eligible Assignees procured by the Company; *provided* that each such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it under the Loan Documents from the applicable assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company (in the case of all other amounts). The Company shall release such Lender from its obligations under the Loan Documents. Any Lender being replaced shall execute and deliver an Assignment and Assumption with respect to such Lender’s outstanding Loans and Commitments.

Section 3.08. *Survival.*

The agreements and obligations of the Company in Section 3.01, Section 3.03, Section 3.04 and Section 3.06 shall survive the termination of this Agreement and the payment of all other Obligations.

Section 4.02. *Conditions to All Other Loans.*

The obligation of each Lender to make any Loans on any Borrowing Date (other than the Closing Date) is subject to satisfaction of the following conditions precedent (it being understood, for the avoidance of doubt, that the conversion or continuation of any Loan on any Borrowing Date shall not be subject to any such conditions):

(a) No Default or Event of Default shall have occurred and be continuing on such date immediately before or after giving effect to the proposed Loan.

(b) The representations and warranties of the Company contained in Article 5 or any other Loan Document, or which are contained in any document furnished at any time under or in connection herewith or therewith, (x) which are not qualified as to materiality shall be true and correct in all material respects and (y) which are qualified as to materiality shall be true and correct, in each case, on and as of the date of such Loan Notice, after giving effect to such Loan, except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects, or true and correct, as the case may be, as of such earlier date.

Section 4.03. *Determinations Under Section 4.01.*

For purposes of determining compliance with the conditions specified in Section 4.01, each of the Lenders shall be deemed to have consented to, approved or accepted or to be satisfied with each document or other matter required thereunder to be consented to or approved by, or acceptable or satisfactory to, the Lenders unless an officer of the Agent responsible for the Transactions shall have received notice from such Lender prior to the Closing Date specifying its objection thereto and, in the case of any Lender, such Lender shall not have made available to the Agent on the Closing Date such Lender's Pro Rata Share of the Borrowing to be made on such date.

ARTICLE 5
REPRESENTATIONS AND WARRANTIES

The Company represents and warrants to the Agent and each Lender that:

Section 5.02. *Corporate Existence and Power.*

The Company and each of its Restricted Subsidiaries:

- (a) is duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization;
- (b) has the corporate (or other organizational) power and authority and all governmental licenses, authorizations, consents and approvals to own its assets and carry on its business;
- (c) except as set forth in Schedule 5.01, is duly qualified and is licensed and in good standing under the laws of each jurisdiction where its ownership, lease or operation of property or the conduct of its business requires such qualification or license; and
- (d) except as set forth in Schedule 5.01, is in compliance with all Requirements of Law, except such orders, writs, injunctions or decrees as are being contested in good faith by appropriate proceedings;

except, in each case referred to in clauses (a) (other than with respect to the Company), (b), (c) and (d), to the extent that the failure to do so, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

Section 5.02. *Corporate Authorization; No Contravention.*

The Transactions to be entered into by each Obligor are within its corporate or other organizational powers. The Transactions (including the execution, delivery and performance by each Obligor of each Loan Document to which it is a party) have been duly authorized by all necessary corporate or other organizational action of each Obligor and do not and will not:

- (a) contravene the terms of any of such Obligor's Organization Documents;
- (b) conflict with or result in any breach or contravention of, or result in or require the creation of any Lien (other than the Transaction Liens) under, any document evidencing any material Contractual Obligation to which such Obligor is a party, except to the extent that such conflicts, in the aggregate, would not reasonably be expected to have a Material Adverse Effect; or
- (c) violate any Requirement of Law or any order, injunction, writ or decree of any Governmental Authority to which such Obligor or its property is subject, except to the extent that such violations, in the aggregate, would not reasonably be expected to have a Material Adverse Effect.

Section 5.03. *Governmental Authorization.*

No approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority is necessary or required in connection with the execution, delivery or performance by, or enforcement against, each Obligor of each Loan Document to which it is a party or the granting of any Liens by any Obligor pursuant to the Loan Documents, except (i) such as have been obtained and are in full force and effect (including without limitation, the approval of the Department of Insurance of the jurisdiction of the domicile of the Insurance Subsidiaries),(ii) filings necessary to perfect the Transaction Liens and (iii) those the failure of which to obtain or make would not reasonably be expected to have a Material Adverse Effect.

Section 5.04. *Binding Effect.*

Each Loan Document that has been delivered by an Obligor has been duly executed and delivered by each Obligor party thereto and constitutes a legal, valid and binding obligation of such Obligor, enforceable against such Obligor in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability.

Section 5.05. *Litigation.*

There are no actions, suits, proceedings, claims or disputes pending, or to the knowledge of the Company, threatened, at law, in equity, in arbitration or before any Governmental Authority, against the Company or any of its Restricted Subsidiaries or any of their respective properties that: (a) purport to affect or pertain to this Agreement or any other Loan Document or (b) individually or in the aggregate would reasonably be expected to have a Material Adverse Effect. No injunction, writ, temporary restraining order or any order of any nature has been issued by any court or other Governmental Authority purporting to enjoin or restrain the execution, delivery or performance of this Agreement or any other Loan Document or directing that the Transactions not be consummated as herein or therein provided.

Section 5.06. *No Default.*

No Default or Event of Default has occurred and is continuing or would result from the consummation of the Transactions. As of the Closing Date, neither the Company nor any Restricted Subsidiary is in default under or with respect to any Contractual Obligation in any respect that, individually or together with all such defaults, would reasonably be expected to have a Material Adverse Effect.

Section 5.07. *ERISA Compliance.*

(a) Each Pension Plan is in compliance with the applicable provisions of ERISA, the Code and other federal or state law except to the extent that such non-compliance would not reasonably be expected to have a Material Adverse Effect. Each Plan that is intended to qualify under Section 401(a) of the Code has either (i) received a favorable determination letter from the IRS and to the knowledge of the Company, nothing has occurred which would reasonably be expected to cause the loss of such qualification or (ii) with respect to the Pension Plans identified on Schedule 5.07, is in the process of requesting a favorable determination letter from the IRS as to its qualified status, and the Company is not aware of any fact or issue that would reasonably be expected to cause the IRS to fail to issue a favorable determination letter, except where such non-qualification would not reasonably be expected to have a Material Adverse Effect. The Company, its Restricted Subsidiaries and each ERISA Affiliate have made all required contributions to any Pension Plan subject to Section 412 of the Code, and no application for a funding waiver or an extension of any amortization period pursuant to Section 412 of the Code has been made with respect to any Pension Plan, except where such lack of contribution or application for funding waiver would not reasonably be expected to have a Material Adverse Effect.

The Company shall otherwise take such actions and execute and/or deliver to the Agent such documents as the Agent shall reasonably require to confirm the validity, perfection and priority of the Lien of the Security Documents on such after-acquired properties, including actions described in Section 6.13(a), all at the Company’s expense.

The Agent also may rely upon any statement made to it orally or by telephone and believed by it to

have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless the Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Each Lender also acknowledges that it will, independently and without reliance upon any Agent-Related Person or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 9.08. *No Other Duties, Etc.*

Section 9.09. *Agent May File Proofs of Claim.*

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Obligor, the Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on the Company) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agent and their respective agents and counsel and all other amounts due the Lenders and the Agent under Sections 2.10, 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Agent and, in the event that the Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its agents and counsel, and any other amounts due the Agent under Sections 2.10, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.10. *Collateral and Guaranty Matters.*

The Lenders irrevocably authorize and instruct the Agent to:

(a) release any Lien on any property granted to or held by the Agent under any Loan Document (i) upon payment in full of all Obligations (other than unmatured contingent indemnification obligations) and the expiration or termination of all Commitments, (ii) that is sold or otherwise disposed of or to be transferred, sold or otherwise disposed of (other than to the Company or a Subsidiary Guarantor) as part of or in connection with any transfer, sale or other disposal permitted hereunder or under any other Loan Document, (iii) of any Subsidiary Guarantor that becomes an Excluded Subsidiary, an Insurance Subsidiary, or a Subsidiary of an Insurance Subsidiary, or (iv) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders;

(b) subordinate any Lien on any property granted to or held by the Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 7.02(i), and execute and deliver any intercreditor agreement or subordination agreement necessary or desirable to permit the incurrence by the Company and its Restricted Subsidiaries of secured indebtedness permitted to be incurred hereunder (including, for the avoidance of doubt, New Term Loans, New Revolving Loans, Extended Loans, Permitted First Priority Refinancing Debt and Permitted Second Priority Refinancing Debt, and the Liens securing such Indebtedness), in each case with the priority permitted hereunder, and perform its obligations and duties and exercise its rights and remedies thereunder; and

(c) release any Subsidiary Guarantor from its obligations under the Secured Guarantee (i) if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents (including if all the capital Stock of such Person is sold to a person other than the Company or one of its Subsidiaries in a transaction permitted by the Loan Documents), (ii) if such Person is or becomes an Insurance Subsidiary, a Subsidiary of an Insurance Subsidiary, a Foreign Subsidiary, a non-Wholly-Owned Subsidiary, an Unrestricted Subsidiary or, subject to Section 6.12(b), an Immaterial Subsidiary, in each case in accordance with the terms of this Agreement and the other Loan Documents, (iii) upon the payment in full of all Obligations (other than unmatured contingent indemnification obligations) and the expiration or termination of all Commitments or (iv) subject to Section 10.01, if approved, authorized or ratified in writing by the Required Lenders.

Upon request by the Agent at any time, the Required Lenders will confirm in writing the Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Subsidiary Guarantor from its obligations under the Secured Guarantee pursuant to this Section 9.10. In each case as specified in this Section 9.10, the Agent will (and each of the Lenders irrevocably authorizes and directs the Agent to), at the Company's expense, execute and deliver to the applicable Obligor such documents as such Obligor may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Subsidiary Guarantor from its obligations under the Secured Guarantee, in each case in accordance with the terms of the Loan Documents and this Section 9.10.

Section 9.11. *Indemnification of Agent-Related Persons.*

Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of the Company and without limiting the obligation of the Company to do so), ratably according to their respective portions of the total Loans held on the date on which indemnification is sought, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities to the extent determined in a final, nonappealable judgment by a court of competent jurisdiction to have resulted from such Agent-Related Person's own gross negligence or willful misconduct; and *provided, further*, that no action taken in accordance with the directions of the Required Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section. Without limitation of the foregoing, each Lender shall reimburse each Agent-Related Person upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by such Agent-Related Person in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document or any document contemplated by or referred to herein, to the extent that such Agent-Related Person is not reimbursed for such expenses by or on behalf of the Company. The undertaking in this Section shall survive the payment of all other Obligations and the resignation of the Agent or any Agent-Related Person.

Section 9.12. *Withholding Tax.*

To the extent required by any applicable law, the Agent shall withhold from any payment to any Lender an amount equal to any applicable withholding Tax. If the IRS or any Governmental Authority asserts a claim that the Agent did not properly withhold Tax from any amount paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or was not properly executed, or because such Lender failed to notify the Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify and hold harmless the Agent (to the extent that the Agent has not already been reimbursed by the Company and without limiting or expanding the obligation of the Company to do so) for all amounts paid, directly or indirectly, by the Agent as tax or otherwise, including any penalties, additions to Tax or interest thereon, together with all expenses incurred, including legal expenses and any out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Government Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Agent under this Article 9. The agreements in this Article 9 shall survive the resignation and/or replacement of the Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Loans and the repayment, satisfaction or discharge of all obligations under this Agreement. Unless required by applicable laws, at no time shall the

Agent have any obligation to file for or otherwise pursue on behalf of a Lender any refund of Taxes withheld or deducted from funds paid for the account of such Lender.

Section 9.13 *Certain ERISA Matters.* (a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Company or any other Obligor, that at least one of the following is and will be true:

(c) The Agent and each Arranger hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Commitments and this Agreement, (ii) may recognize a gain if it extended the Loans or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

All telephonic notices to and other communications with the Agent may be recorded by the Agent, and each of the parties hereto hereby consents to such recording.

Section 10.03. No Waiver; Cumulative Remedies.

No failure to exercise and no delay in exercising, on the part of the Agent or any Lender, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

Neither the Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Obligor or any other Person or against or in payment of any or all of the Obligations. To the extent that the Company makes a payment to the Agent or the Lenders (or to the Agent, on behalf of the Lenders), or any Agent or Lender enforces any security interests or exercises any right of setoff, and such payment or the proceeds of such enforcement or the proceeds of such set-off or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any Insolvency Proceeding or otherwise, then (a) to the extent of such recovery the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such set-off had not occurred and (b) each Lender severally agrees to pay to the Agent upon demand its Pro Rata Share of any amount so recovered from or repaid by the Agent.

Section 10.07. *Assignments, Successors, Participations, Etc.*

(a) *Successors and Assigns Generally.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Company may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee in accordance with the provisions of Section 10.07(b), or (ii) by way of participation in accordance with the provisions of Section 10.07(d) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (as defined below) to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) *Assignments by Lenders.* Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it (*provided, however*, that pro rata assignments shall not be required)); *provided that*:

(i) in the case of assignments of Term Loans (or any Commitment therefor), such assignment shall be consented to by each of the Company and Agent (such consent not to be (x) unreasonably withheld or delayed, (y) in the case of the Company, required at the time an Event of Default shall have occurred and then be continuing, or (z) required in the case of an assignment by an assigning Lender to an Affiliate or Approved Fund of such Lender or any other Lender); *provided that* (A) the Company shall be deemed to have consented unless it shall object thereto by written notice to the Agent within ten (10) Business Days after having received written notice thereof, and (B) except in the case of an assignment of the entire remaining amount of the assigning Lender's Term Loans (or any Commitment therefor) at the time owing to it or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Term Loans and New Term Loans (or any Commitment therefor) of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$500,000, unless each of the Agent and, so long as no Event of Default has occurred and is continuing, the Company otherwise consents (each such consent not to be unreasonably withheld or delayed);

(ii) in the case of assignments of Revolving Loans or Revolving Commitments, such assignment, shall be consented to by each of the Company and Agent (such consent not to be (x) unreasonably withheld or delayed or, (y) in the case of the Company, required at any time an Event of Default shall have occurred and then be continuing, or (z) required in the case of an assignment by an Assigning Lender to an Affiliate or Approved Fund of such Lender or any other Revolving Lender); *provided that* (A) the Company shall be deemed to have consented to any such assignment of Revolving Loans or Revolving Commitments unless it shall object thereto by written notice to the Agent within ten (10) Business Days after having received written notice thereof and (B) except in the case of an assignment of the entire remaining amount of the assigning Lender's Revolving Loans or Revolving Commitments or in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Revolving Loans and Revolving Commitments of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$1,000,000, unless each of the Agent and, so long as no Event of Default has occurred and is continuing, the Company otherwise consents (each such consent not to be unreasonably withheld or delayed);

(iii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loans or the Commitment assigned under the Facilities;

(iv) the parties to each assignment shall execute and deliver to the Agent an Assignment and Assumption; such Assignment and Assumption to be (A) electronically executed and delivered to the Agent via an electronic settlement system then acceptable to the Agent (or, if previously agreed with the Agent, manually), and (B) delivered together with a processing and recordation fee of \$3,500, unless waived or reduced by the Agent in its sole discretion; and

(v) the Eligible Assignee, if it shall not be a Lender, shall deliver to the Agent an administrative questionnaire, in the form prescribed by the Agent.

Subject to acceptance and recording thereof by the Agent pursuant to Section 10.07(d), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.03, 3.04, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment; *provided*, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender). Upon request, the Company (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(d). The Agent shall not be responsible for monitoring the list of Disqualified Lenders and shall have no liability for non-compliance by any Lender.

(c) *Assignments to Company*. Notwithstanding anything to the contrary contained in this Section 10.07 or any other provision of this Agreement, so long as no Default or Event of Default has occurred and is continuing or would result therefrom, each Lender shall have the right at any time to sell, assign or transfer all or a portion of its Term Loan Commitment or Term Loans owing to it to the Company on a non-pro rata basis (*provided, however*, that each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Term Loan and any related Term Loan Commitments), subject to the following limitations:

1. The Company may conduct one or more modified Dutch auctions (each, an "**Auction**") to repurchase all or any portion of the Term Loans; *provided that*, (A) notice of the Auction shall be made to all Term Loan Lenders and (B) the Auction shall be conducted pursuant to such procedures as the Auction Manager may establish which are consistent with this Section 10.07(c)(1) and are otherwise reasonably acceptable to the Company, the Auction Manager and the Agent;

2. With respect to all repurchases made by the Company pursuant to this Section 10.07(c), the Company shall deliver to the Agent and the Auction Manager a certificate of a Responsible Officer stating that (i) no Default or Event of Default has occurred and is continuing or would result from such repurchase and (ii) as of the launch date of the related Auction, it is not in possession of any information regarding the Company, its Subsidiaries or its Affiliates, or their assets, the Company's ability to perform its Obligations or any other matter that may be material to a decision by any Lender to participate in any Auction or any of the transactions contemplated thereby that has not previously been disclosed to the Agent, the Auction Manager and the non-Public Lenders and (B) the Company shall not use the proceeds of any Revolving Loans to acquire such Term Loans; and

3. Immediately upon the repurchase by the Company pursuant to this Section 10.07(c), the Term Loans so repurchased shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by the Company), for all purposes of this Agreement and all other Loan Documents, including, but not limited to (A) the making of, or the application of, any payments to the Lenders under this Agreement or any other Loan Document, (B) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Loan Document or (C) the determination of Required Lenders, or for any similar or related purpose, under this Agreement or any other Loan Document. In connection with any Term Loans repurchased and cancelled pursuant to this Section 10.07(c), the Agent is authorized to make appropriate entries in the Register to reflect any such cancellation.

(d) *Register*. The Agent, acting solely for this purpose as an agent of the Company, shall maintain at the Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses

of the Lenders, and the Commitments of, and principal and interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “**Register**”). The entries in the Register shall be conclusive absent manifest error, and the Company, the Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Company and each Lender (with respect to its own interests in the Facilities only) at any reasonable time and from time to time upon reasonable prior notice. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(e) *Participations.* Any Lender may at any time, without the consent of, or notice to, the Company or the Agent, sell participations to any Person (other than a natural person or the Company or any of the Company’s Affiliates or Subsidiaries) (each, a “**Participant**”) in all or a portion of such Lender’s rights and/or obligations under this Agreement; *provided* that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Company, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 10.01 that directly affects such Participant. Except to the extent limited by Section 10.07(f), the Company agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.02, 3.03 and 3.04 (subject to the limitations and requirements of such Sections (including Section 3.01(f) and Section 3.01(g)) and Section 3.07), as if such Participant were a Lender) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b); *provided*, that such Participant shall not be entitled to receive any greater payment under Sections 3.01, 3.03 and 3.04, with respect to any participation, than its participating Lender would have been entitled to receive except to the extent such entitlement to receive a greater payment results from a change in law that occurs after the Participant acquired the applicable participation. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.14 as though it were a Lender.

Each Lender that sells a participation pursuant to this Section 10.07(e) shall, acting solely for U.S. federal income tax purposes as a non-fiduciary agent of the Company, maintain a register on which it records the name and address of each participant and the principal amounts of each participant’s participation interest with respect to the Loans or other obligations under the Loan Documents (each, a “**Participant Register**”); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant’s interest in any Commitments, Loans or its other obligations under this Agreement) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(f) *Limitations upon Participant Rights.* A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant.

(g) *Certain Pledges.* Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) *Electronic Execution of Assignments.* The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature

or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.08. *Confidentiality.*

The Agent and each Lender shall maintain the confidentiality of all information regarding the Company or any Subsidiary or any of their respective businesses provided to it by the Company or any Subsidiary, or by the Agent on the Company's or such Subsidiary's behalf, in connection with this Agreement or any other Loan Document (the "**Information**"); *provided*, that the Agent or such Lender may disclose Information (a) to the extent such Information (i) was or becomes generally available to the public other than as a result of improper disclosure by the Agent or a Lender, or (ii) was or becomes available on a non-confidential basis from a source other than the Company; *provided* that such source is not known by the Agent or such Lender to be prohibited from disclosing such Information to the Agent or such Lender by a legal, contractual or fiduciary obligation; (b) at the request or pursuant to any requirement of any Governmental Authority or representative thereof having jurisdiction over the Agent or such Lender (including the NAIC) or in connection with an examination of the Agent or such Lender by any such Governmental Authority; (c) pursuant to subpoena or other court process; (d) when required to do so in accordance with the provisions of any applicable Requirement of Law; (e) in connection with the exercise of any remedy hereunder or under any other Loan Document; (f) to the Agent's or such Lender's independent auditors and other professional advisors on a confidential basis; (g) to any Participant, Lender or Eligible Assignee, actual or potential; *provided* that such Person is not a Disqualified Lender and agrees in writing to keep such Information confidential to the same extent required of the Lenders hereunder or on terms no less restrictive than those set forth in this Section 10.08; *provided, however*, that such writing may take the form of a customary and binding "click-through" agreement; (h) to its Affiliates and to their respective officers, directors, partners, members, employees, legal counsel, independent auditors and other advisors, experts or agents who need to know such Information and on a confidential basis (and to other Persons authorized by a Lender or the Agent to organize, present or disseminate such Information in connection with disclosures otherwise made in accordance with this Section 10.08); *provided* that such Affiliates and other Persons are not Disqualified Lenders and are otherwise bound by an obligation of confidentiality (including an employment agreement) to the Agent or such Lender sufficient to ensure compliance with the terms of this Section 10.08 or have agreed to act in accordance with this Section 10.08; (i) to any other party to this Agreement; (j) to any pledgee referred to in Section 10.07(f) or any direct or indirect contractual counterparty or prospective counterparty (or such counterparty's or prospective counterparty's professional advisor) to any swap or derivative transaction relating to obligations of the Company or any of its Subsidiaries (so long as all parties, including all counterparties and advisors, agree to be bound by the provisions of this Section 10.08 or other provisions at least as restrictive as this Section 10.08); (k) to any rating agency when required by it; *provided* that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any Information relating to the Company or any Subsidiary received by it from the Agent or any Lender; (l) on a confidential basis to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans; (m) to the extent that such Information was already in possession of the Agent or such Lender or is independently developed by the Agent or such Lender without the use of any Information and without violating the terms of this Section 10.08; and (n) for purposes of establishing a "due diligence" defense. In addition, the Agent and each Lender may disclose the existence of this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agent and the Lenders in connection with the administration and management of this Agreement and the other Loan Documents. In the case of clause (b), (c), and (d), the disclosing party shall, to the extent not prohibited by any Requirement of Law, give prior notice of such disclosure to the Company so that the Company may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Section 10.08.

Each of the Agent and the Lenders acknowledges that (x) the Information may include material non-public information concerning the Company or a Subsidiary, as the case may be, (y) it has developed compliance procedures regarding the use of material non-public information, and (z) it will handle such material non-public information in accordance with applicable Requirements of Law, including United States federal and state securities laws.

Section 10.09. *Set-off.*

In addition to any rights and remedies of the Lenders provided by law, if an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is authorized at any time and from time to time, without prior

notice to the Company, any such notice being waived by the Company, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other indebtedness at any time owing by, such Lender or Affiliate to or for the credit or the account of the Company against any and all Obligations owing to such Lender, now or hereafter existing, irrespective of whether or not the Agent or such Lender shall have made demand under this Agreement or any Loan Document and although such Obligations may be contingent or unmatured; *provided* that neither any Lender nor any of its Affiliates shall be entitled to exercise any such set off with respect to any trust, tax reserve or payroll account. Each Lender agrees to promptly notify the Company and the Agent after any such set-off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such set-off and application. For the avoidance of doubt, upon the exercise by any Lender or any of its Affiliates of any right of setoff under this Agreement or any other Loan Document in respect of any of the Obligations, the Obligations shall be immediately and automatically reduced to the extent of the amount thereby set off and applied.

Section 10.10. *Notification of Addresses, Lending Offices, Etc.*

Each Lender shall notify the Agent in writing of any changes in the address to which notices to the Lender should be directed, of addresses of any Lending Office, of payment instructions in respect of all payments to be made to it hereunder and of such other administrative information as the Agent shall reasonably request.

Section 10.11. *Effectiveness; Counterparts.*

This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by the Company and the Agent of written notification of such execution and authorization of delivery thereof. This Agreement may be executed in any number of separate counterparts, each of which, when so executed, shall be deemed an original, and all of said counterparts taken together shall be deemed to constitute but one and the same instrument. Delivery of an executed counterpart of this Agreement by facsimile transmission or other electronic transmission (e.g., “.pdf” or “.tif”) shall be effective as delivery of a manually executed counterpart hereof.

Section 10.12. *Survival of Representations and Warranties.*

All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Agent and each Lender, regardless of any investigation made by the Agent or any Lender or on their behalf, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.13. *Severability.*

If any provision of any Loan Document is invalid, illegal or unenforceable in any jurisdiction then, to the fullest extent permitted by law, (i) such provision shall, as to such jurisdiction, be ineffective to the extent (but only to the extent) of such invalidity, illegality or unenforceability, (ii) the other provisions of the Loan Documents shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Lenders in order to carry out the intentions of the parties thereto as nearly as may be possible and (iii) the invalidity, illegality or unenforceability of any such provision in any jurisdiction shall not affect the validity, legality or enforceability of such provision in any other jurisdiction.

Section 10.14. *Replacement of Defaulting Lenders and Non-Consenting Lenders.*

If any Lender is a Defaulting Lender or a Non-Consenting Lender, then the Company may, at its sole expense and effort, upon notice to such Lender and the Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, [Section 10.07](#)), all of its interests, rights and obligations under this Agreement and the related Loan Documents to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that:

- (a) the Agent shall have received the assignment fee specified in [Section 10.07\(b\)](#);

(b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Sections 2.09(c), 3.01, 3.03 and 3.04) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company (in the case of all other amounts).

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Company to require such assignment and delegation cease to apply.

No action by or consent of a Defaulting Lender or a Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of such purchase price.

Section 10.15. *Governing Law; Jurisdiction; Consent to Service of Process.*

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York.

(b) Each of the parties hereto irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any relevant appellate court, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each party hereto irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State court or, to the extent permitted by law, in such Federal court. Each party hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that any Lender or the Agent may otherwise have to bring any action or proceeding relating to any Loan Document against any Obligor or its properties in the courts of any jurisdiction.

(c) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in subsection (b) of this Section. Each party hereto irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of any such suit, action or proceeding in any such court.

(d) Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 10.02. Nothing in any Loan Document will affect the right of any party hereto to serve process in any other manner permitted by law.

Section 10.16. *Waiver of Jury Trial.*

EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

Section 10.17 *USA PATRIOT Act Notice.*

Each Lender and the Agent (for itself and not on behalf of any Lender) hereby notifies the Company that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “**Patriot Act**”), it is required to obtain, verify and record information that identifies each Obligor, which information includes the name and address of each Obligor and other information that will allow such Lender or the Agent, as applicable, to identify each Obligor in accordance with the Patriot Act.

Section 10.18. *Entire Agreement.*

This Agreement, together with the other Loan Documents and any separate agreements with respect to fees payable to the Agent, embodies the entire agreement and understanding among the Company, the Lenders and the Agent and supersedes all prior or contemporaneous agreements and understandings of such Persons, verbal or written, relating to the subject matter hereof and thereof.

Section 10.19. *Independence of Covenants.*

All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 10.20. *Obligations Several; Independent Nature of Lenders’ Right.*

The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

Section 10.21. *No Fiduciary Duty.*

The Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the “**Lenders**”), may have economic interests that conflict with those of the Obligors, their stockholders and/or their affiliates. Each Obligor agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Obligor, its stockholders or its affiliates, on the other. The Obligors acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Obligors, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Obligor, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Obligor, its stockholders or its Affiliates on other matters) or any other obligation to any Obligor except the obligations expressly set forth in the Loan Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Obligor, its management, stockholders, creditors or any other Person. Each Obligor acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Obligor agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Obligor, in connection with such transaction or the process leading thereto.

Section 10.22 *Acknowledgement and Consent to Bail-In of EEA Financial Institutions.*

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

(ix) other than satisfaction in full of the Release Conditions, any other act or omission to act or delay of any kind by the Company, any other Subsidiary Guarantor, any other party to any Secured Agreement, any Secured Party or any other Person, or any other circumstance whatsoever that might, but for the provisions of this clause (ix), constitute a legal or equitable discharge of or defense to any obligation of any Subsidiary Guarantor hereunder.

(c) *Release of Secured Guarantees.* (i) All the Secured Guarantees shall automatically be discharged and released without any further action by the Agent or any other Secured Party immediately upon all the Release Conditions being satisfied. Such release shall not require the consent of any Secured Party, and the Agent shall be fully protected in relying on a certificate of the Company as to whether the applicable condition in the foregoing clauses (A), (B), and (C) has been satisfied.

(ii) In addition to any release permitted by subsection (ii) above, any Secured Guarantee shall automatically be discharged and released without any further action by the Agent

For the avoidance of doubt, the Secured Guarantee shall not be subject to any revocation, limitation, impairment, set-off, defense, counterclaim, discharge or termination for any reason other than as provided in clause (c) above and Section 9.10 of the Credit Agreement.

(e) *Subrogation.* A Subsidiary Guarantor that makes a payment with respect to a Secured Obligation hereunder shall be subrogated to the rights of the payee against the Company with respect to such payment; *provided* that no Subsidiary Guarantor shall enforce any payment by way of subrogation against the Company, or by reason of contribution against any other Subsidiary Guarantor of such Secured Obligation, until all of the Release Conditions have been satisfied in full. If any amount shall be paid to any Subsidiary Guarantor in violation of the immediately preceding sentence at any time prior to the satisfaction in full of the Release Conditions, such amount shall be received and held in trust for the benefit of the Secured Parties, shall be segregated from other property and funds of such Subsidiary Guarantor and shall forthwith be paid or delivered to the Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Secured Obligations and all other amounts payable under this Agreement in accordance with the terms of the Loan Documents, or to be held as Collateral for any Secured Obligations or other amounts payable under this Agreement thereafter arising.

(f) *Stay of Acceleration.* If acceleration of the time for payment of any Secured Obligation by the Company is stayed by reason of the insolvency or receivership of the Company or otherwise, all Secured Obligations otherwise subject to acceleration under the terms of any Secured Agreement shall nonetheless be payable by the Subsidiary Guarantors hereunder forthwith on demand by the Agent.

(g) *Right of Set-Off.* In addition to any rights and remedies of the Secured Parties provided by applicable law, if any Secured Obligation is not paid promptly when due (after the passage of any applicable cure period as set forth in the Loan Documents), each of the Secured Parties and their respective Affiliates is authorized at any time and from time to time, without prior notice to any Subsidiary Guarantor, any such notice being waived by each Subsidiary Guarantor, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other indebtedness at any time owing by, such Secured Party or Affiliate to or for the credit or the account of any Subsidiary Guarantor against any and all obligations of such Subsidiary Guarantor owing to such Secured Party under its Secured Guarantee, irrespective of whether or not such Secured Party shall have made any demand thereunder and although such obligations may be contingent or unmatured; *provided* that neither any Secured Party nor any of its Affiliates shall be entitled to exercise any such set off with respect to any trust, tax reserve or payroll account. Each Secured Party agrees to promptly notify the Company and the Agent after any such set off and application made by such Secured Party; *provided* that the failure to give such notice shall not affect the validity of such set off and application. For the avoidance of doubt, upon the exercise by any Secured Party of any right of setoff under the Loan Documents in respect of the Secured Guarantee of any Subsidiary Guarantor, the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee shall be immediately and automatically reduced to the extent of the amount thereby set off and applied.

(h) *Continuing Guarantee.* Each Secured Guarantee is a continuing guarantee, shall be binding on the relevant Subsidiary Guarantor and its successors and assigns, and shall inure to the benefit of and be enforceable by the Agent for the benefit of the Secured Parties and their successors, transferees and assigns permitted under Section 10.07 of the Credit Agreement. If all or part of any Secured Party's interest in any Secured Obligation is assigned or otherwise transferred in accordance with Section 10.07 of the Credit Agreement, the transferor's rights under each Secured Guarantee, to the extent applicable to the obligation so transferred, shall automatically be transferred with such obligation. No Subsidiary Guarantor shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Secured Parties.

(i) *Limitation on Obligations of Subsidiary Guarantor.* Notwithstanding anything to the contrary herein, it is the intention of the parties hereto that the Secured Guarantee of each Subsidiary Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable provision of applicable state law. To effectuate that intention, the parties hereto hereby agree that the obligations of each Subsidiary Guarantor under its Secured Guarantee are limited to the maximum amount that would not render such Subsidiary Guarantor's obligations subject to avoidance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable provision of applicable state law.

(j) *Reinstatement.* If at any time payment of any of the Secured Obligations or any portion thereof is rescinded, disgorged or must otherwise be restored or returned by any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Company or any other Subsidiary Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Company or any other Subsidiary Guarantor or any substantial part of its property, or otherwise, or if any Secured Party repays, restores, or returns, in whole or in part, any payment or property previously paid or transferred to the Secured Party in full or partial satisfaction of any Secured Obligation, because the payment or transfer or the incurrence of the obligation so satisfied is declared to be void, voidable, or otherwise recoverable under any state or federal law (collectively a "**Voidable Transfer**"), or because such Secured Party does so in good-faith settlement of any pending or threatened avoidance claim, then, as to any such Voidable Transfer and as to all reasonable costs, expenses and attorney's fees of the Secured Party related thereto (to the extent required to be reimbursed pursuant to Section 10.04 of the Credit Agreement), the liability of each Subsidiary Guarantor hereunder will automatically and immediately be revived, reinstated, and restored and will exist as though the Voidable Transfer had never been made.

Section 3. *Grant of Transaction Liens.*

(a) The Company, in order to secure the Secured Obligations, and each Subsidiary Guarantor, in order to secure its Secured Guarantee, grants to the Agent for the benefit of the Secured Parties a continuing security interest in all right, title and interest of the Company or such Subsidiary Guarantor, as the case may be, in, to and under the following property of the Company or such Subsidiary Guarantor, as the case may be, whether now owned or existing or hereafter acquired or arising and regardless of where located (the "Collateral"):

- (i) all Accounts;
- (ii) all Chattel Paper;
- (iii) all Commercial Tort Claims, including those described in Schedule 5;

- (iv) all cash and Cash Equivalents (other than Investment Property);
- (v) all Documents;
- (vi) all Equipment;
- (vii) all General Intangibles (including without limitation any Equity Interests in other Persons that do not constitute Investment Property);
- (viii) all Instruments;
- (ix) all Inventory;
- (x) all Investment Property;
- (xi) all Letter-of-Credit Rights;
- (xii) all Intellectual Property;
- (xiii) all books and records (including customer lists, credit files, computer programs, printouts and other computer materials and records) of such Lien Grantor pertaining to any of its Collateral;
- (xiv) such Lien Grantor's ownership interest in (1) its Commodity Accounts, Deposit Accounts and Securities Accounts, (2) all Financial Assets credited to such accounts from time to time and all Security Entitlements in respect thereof, and (3) all cash held in its such accounts from time to time; and
- (xv) all Supporting Obligations and Proceeds of the Collateral described in the foregoing clauses (i) through (xiv);

provided that the Collateral shall not include any of the following property (“**Excluded Property**”): (A) motor vehicles and other assets subject to certificates of title, (B) Voting Stock in any first-tier Foreign Subsidiary, to the extent (but only to the extent) required to prevent the Collateral from including more than 65% of the outstanding Voting Stock of such first-tier Foreign Subsidiary, (C) property or assets (including Capital Stock and Voting Stock) of any Foreign Subsidiary that is not a first-tier Foreign Subsidiary, (D) Letter-of-Credit Rights to the extent a Lien thereon (x) cannot be perfected by the filing of UCC financing statements or (y) is not automatically perfected under the UCC as a result of such Letter-of-Credit Right constituting a Supporting Obligation in respect of any other Collateral on which a Lien has been perfected under any Security Document, (E) Equipment leased by a Lien Grantor under a lease that prohibits the granting of a Lien on such Equipment, (F) any Deposit Account or Securities Account maintained (1) for the purpose of funding payroll, payroll taxes and other compensation and benefits to employees or other employee wage and benefit accounts or (2) as a trust account and, in each case, the funds in such Deposit Account or Securities Account, (G) intent-to-use Trademark applications solely to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent to use Trademark applications or any registrations that issue therefrom under applicable United States federal law, (H) any contract, permit, lease, license, property right or agreement, or any of the applicable Lien Grantor's rights or interest thereunder, to the extent that the grant of a security interest therein would result in the invalidity of, or a breach, termination or default under, such contract, permit, lease, license, property right or agreement (in each case, other than to the extent that the relevant term thereof would be rendered ineffective pursuant to Sections 9-406, 9-407,

9-408 or 9-409 of the UCC of any relevant jurisdiction or any other provision of applicable law), (I) any leasehold improvements to the extent that the grant of a security interest therein would violate the related lease, (J) assets located outside the United States to the extent a Lien on such assets cannot be perfected by the filing of UCC financing statements, (K) assets subject to a purchase money lien, capitalized lease obligation or similar arrangement, in each case permitted by the Credit Agreement, to the extent that the contract or other agreement in which such Lien is granted (or the documentation providing for such capitalized lease obligation or similar arrangement) prohibits such assets from being Collateral and only for so long as such Lien remains outstanding, (L) any real property or real property interests (including leasehold interests) other than Material Real Property, (M) Margin Stock, (N) Capital Stock or other Equity Interests of any Person that is not a Wholly-Owned Subsidiary of the Company, to the extent not permitted by the terms of such Person's Organization Documents, (O) any assets to the extent a security interest in such assets would result in material adverse tax consequences as reasonably determined by the Company and the Agent, (P) any property or asset if and to the extent that a security interest therein is prohibited or restricted by any applicable law, rule or regulation (including any requirement to obtain the consent of any Governmental Authority or third party), in each case, other than to the extent that the relevant prohibition, restriction or requirement would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the UCC of any relevant jurisdiction or any other provision of applicable law, (Q) assets for which the cost of granting or obtaining a security interest in favor of the Agent, for the benefit of the Secured Parties, would exceed the practical benefit to the Secured Parties afforded thereby, as reasonably determined by the Company and the Agent, and (R) proceeds and products of any and all of the foregoing Excluded Property described in clauses (A) through (Q) above and this clause (R) only to the extent such proceeds and products would constitute property or assets of the type described in any of clauses (A) through (Q) above or this clause (R). Notwithstanding anything herein to the contrary, all assets of Insurance Subsidiaries (including cash and Cash Equivalents temporarily held by Lien Grantors on behalf of, and for the benefit of, Insurance Subsidiaries) shall be Excluded Property and shall not be part of the Collateral.

(b) [reserved]

(c) The Transaction Liens are granted as security only and shall not subject the Agent or any other Secured Party to, or transfer or in any way affect or modify, any obligation or liability of any Lien Grantor with respect to any of the Collateral or any transaction in connection therewith.

(d) Notwithstanding anything to the contrary in this Agreement or any other Loan Document, if the governmental body or official having jurisdiction over any Regulated Subsidiary determines that the pledge of the shares of Equity Interests of such Regulated Subsidiary hereunder constitutes the acquisition of or a change of control with respect to such Regulated Subsidiary as to which the prior approval of such governmental body or official was required, then, immediately upon the relevant Lien Grantor's (1) written memorialization of oral notice or (2) receipt of written notice from such governmental body or official of such determination and without any action on the part of the Agent or any other Person, such pledge shall be rendered void ab initio and of no effect. Upon any such occurrence, (i) the Agent shall, at such Lien Grantor's written request and expense, return all certificates representing such Capital Stock to such Lien Grantor and execute and deliver such documents as such Lien Grantor shall reasonably request to evidence such Lien Grantor's retention of all rights in such Capital Stock and (ii) such Lien Grantor shall, if reasonably requested by the Agent or the Required Lenders, promptly submit a request to the relevant governmental body or official for approval of the pledge of such shares to the Agent hereunder and, upon receipt of such approval, shall forthwith deliver to the Agent any certificates representing the outstanding Equity Interests of such Regulated Subsidiary (except to the extent such Equity Interests are Excluded Property) to be held as Collateral hereunder.

Each Lien Grantor represents and warrants that:

(a) Schedule 1 lists such Lien Grantor's exact legal name as it appears in such Lien Grantor's certificate of incorporation or other applicable Organization Document as of the Closing Date. As of the Closing Date, such Lien Grantor is a corporation, limited liability company, limited partnership, partnership, or other type of entity as disclosed next to its name in Schedule 1. Also set forth in Schedule 1 is the jurisdiction of organization of such Lien Grantor as of the Closing Date and, if such Lien Grantor is organized in a jurisdiction that requires such number to be included in an effective UCC-1 financing statement, the organizational number or Federal Taxpayer Identification Number of such Lien Grantor, as applicable, as of the Closing Date. As of the Closing Date, the chief executive office of such Lien Grantor is located at the address set forth opposite such Lien Grantor's name in Schedule 1.

(b) Set forth in Schedule 1 is the information required by Section 4(a) for any other business or organization to which such Lien Grantor became the successor by merger, consolidation, acquisition, change in form, nature or jurisdiction of organization or otherwise, at any time in the past four months. Except as set forth in Schedule 1, such Lien Grantor has not changed its jurisdiction of organization at any time during the past four months.

(c) Set forth in Schedule 2 is a complete and correct list of all Equity Interests in Subsidiaries owned by such Lien Grantor as of the Closing Date, together with the name of the issuer and certificate number (if applicable) thereof, the number of shares or percentage of the outstanding Equity Interests of such issuer owned by such Lien Grantor and the percentage of such Lien Grantor's Equity Interests in such issuer that constitutes Pledged Equity Interests, in each case as of the Closing Date. As of the Closing Date, such Lien Grantor holds all such Equity Interests directly (*i.e.*, not through a Subsidiary, a Securities Intermediary or any other Person). All Pledged Equity Interests owned by such Lien Grantor are owned by it free and clear of any Lien other than Permitted Liens. As of the Closing Date, none of such Pledged Equity Interests is subject to any option to purchase, warrant or similar right of any Person.

(d) Set forth in Schedule 3 is a complete and correct list, as of the Closing Date, of all Securities owned by such Lien Grantor (other than Equity Interests in Subsidiaries) the value of which exceeds \$500,000, together with the name of the issuer and certificate number (if applicable) thereof, the number of shares or percentage of the outstanding Securities of such issuer owned by such Lien Grantor and the percentage of the outstanding Securities of such issuer that constitutes Pledged Securities.

(e) [Reserved].

(f) [Reserved].

(g) Such Lien Grantor has good and valid rights in and title to the Collateral purported to be owned by it or otherwise has the rights it purports to have in each item of collateral (except for such defects in title or interests as would not, individually or in the aggregate with respect to all Lien Grantors, reasonably be expected to have a Material Adverse Effect) and has the corporate (or other organizational) power and authority to grant the Transaction Liens thereon. The property of such Lien Grantor is subject to no Liens other than Permitted Liens.

(h) As of the Closing Date, no authorized and effective financing statement, security agreement, mortgage or similar or equivalent document or instrument covering all or part of the Collateral owned by such Lien Grantor is on file or of record in any jurisdiction in which such filing or recording would be effective to perfect or record a Lien on such Collateral, except financing statements, mortgages or other similar or equivalent documents with respect to Permitted Liens.

(i) On the Closing Date, after giving effect to the filing of any UCC termination statements in connection with the 2015 Credit Agreement Refinancing, this Agreement is effective to create valid security interests in the Collateral to the extent set forth herein. Upon the filing of UCC financing statements in the appropriate governmental offices or the obtaining of Control of the Collateral, as applicable, the Agent will have a perfected security interest in all right, title and interest of such Lien Grantor in all such Collateral to the extent that a security interest in such Collateral may be perfected by filing under the UCC (in effect on the date this representation is made) or by obtaining Control, as the case may be.

(j) When, in addition to the filing of the UCC financing statements described in the preceding clause (i), the applicable Intellectual Property Filings have been made with respect to the Recordable Intellectual Property held by such Lien Grantor on the Closing Date, the Agent will have perfected security interests in all right, title and interest of such Lien Grantor in such Recordable Intellectual Property with respect to which such filings shall have been made, to the extent that security interests therein may be perfected by such filings.

(k) Except for (i) the filing of the UCC financing statements described in clause (i) above, and the Intellectual Property Filings described in the foregoing clause (j), (ii) in connection with the disposition of any Investment Property, actions required by laws generally affecting the offering and sale of securities, and (iii) actions required by the UCC to perfect and exercise remedies with respect to the security interests conferred hereunder, no registration, recordation or filing with, and no authorization or approval or other action by, any Governmental Authority is required in connection with the execution or delivery of the Security Agreement or is necessary for the validity or enforceability thereof (except with respect to the Equity Interests of any Regulated Subsidiary) for the enforcement of the Transaction Liens granted pursuant to the Security Agreement.

(l) If such Lien Grantor is also a Subsidiary Guarantor, in executing and delivering this Agreement (including providing its Secured Guarantee), such Lien Grantor has (i) without reliance on the Agent or any other Secured Party or on any information received from the Agent or any other Secured Party and based upon such documents and information it deems appropriate, made an independent investigation of the transactions contemplated by the Loan Documents and the Company, the Company's business, assets, operations, prospects and condition, financial or otherwise, and any circumstances which may bear upon such transactions, the Company or the obligations and risks undertaken herein with respect to the Secured Obligations, (ii) adequate means to obtain from the Company on a continuing basis information concerning the Company, (iii) full and complete access to the Loan Documents and any other documents executed in connection with the Loan Documents and (iv) not relied and will not rely upon any representations or warranties of the Agent or any other Secured Party not embodied herein or any acts heretofore or hereafter taken by the Agent or any other Secured Party (including any review by the Agent or any other Secured Party of the affairs of the Company).

Section 5. *Further Assurances; General Covenants.*

Each Lien Grantor covenants as follows:

(a) Such Lien Grantor will, at the Company's expense, execute, deliver, file and record any statement, assignment, instrument, document, agreement or other paper and take any other action (including without limitation any Intellectual Property Filing and any filing of financing or continuation statements under the UCC) that from time to time may be required by the terms of the Loan Documents, or that the Agent may reasonably request, in order to:

(i) create, preserve, perfect or confirm the Transaction Liens on such Lien Grantor's Collateral;

(ii) in the case of Pledged Electronic Chattel Paper and Pledged Investment Property, cause the Agent to have Control thereof; or

(iii) enable the Agent to exercise and enforce any of its rights, powers and remedies with respect to any of such Lien Grantor's Collateral.

In furtherance of the foregoing, in respect of (A) all liability insurance policies (which, for the avoidance of doubt, shall not include any officers' and directors' liability insurance policies, any professional liability policies, or any fidelity bond insurance policies) of such Lien Grantor, (B) all property insurance policies of such Lien Grantor, in each case of clause (A) and (B), required by Section 6.05 of the Credit Agreement and (C) all flood and other insurance required under the Mortgage Requirement, such Lien Grantor shall use commercially reasonable efforts to cause the applicable insurance companies with respect to such policies (i) to name the Agent as mortgagee or loss payee (as applicable, in the case of property insurance) or additional insured on behalf of the Secured Parties (in the case of liability insurance), as applicable and (ii) to provide for not less than 30 days' prior notice to the Agent of cancellation, material addition in amount or material change in coverage under such policies.

To the extent permitted by applicable law, such Lien Grantor authorizes the Agent to execute and file such financing statements or continuation statements, and amendments thereto, including, without limitation, one or more financing statements indicating that such financing statements cover all assets or all personal property (or words of similar effect) of such Lien Grantor, in each case without such Lien Grantor's signature appearing thereon, and regardless of whether any particular asset described in such financing statement falls within the scope of the UCC or the granting clause of this Agreement. Such Lien Grantor constitutes and appoints the Agent its attorney-in-fact to execute and file, in the event such Lien Grantor fails to do so promptly, all Intellectual Property Filings and other filings required by the terms of the Loan Documents or so reasonably requested by the Agent for the foregoing purposes, all such acts of such attorney being hereby ratified and confirmed; and such power, being coupled with an interest, shall be irrevocable until all the Transaction Liens granted by such Lien Grantor terminate pursuant to Section 22. The Company will pay the reasonable costs of, or incidental to, any Intellectual Property Filings and any recording or filing of any financing or continuation statements or other documents recorded or filed pursuant hereto.

(b) Such Lien Grantor will (x) furnish to the Agent prompt written notice of any (i) change of its name or corporate structure or (ii) change of its location (determined as provided in UCC Section 9-307) and (y) take all actions that are reasonably requested by the Agent for the purpose of perfecting or protecting the security interest granted by this Agreement.

(c) Such Lien Grantor will not sell, lease, license, exchange, assign or otherwise dispose of, or grant any option with respect to, any of its Collateral; *provided* that such Lien Grantor may do any of the foregoing unless doing so would violate a covenant in the Credit Agreement.

(d) [Reserved].

(e) Within thirty (30) days following the closing of any acquisition of any Material Real Property by any Lien Grantor (or, in the case of any Material Real Property owned by any Original Lien Grantor on the Closing Date or by any other Lien Grantor on the date such Lien Grantor signs and delivers a Security Agreement Supplement, within thirty (30) days following such date), such Lien Grantor will notify the Agent of such acquisition or ownership. Thereafter, reasonably promptly following any written request from the Agent, such Lien Grantor shall provide to the Agent such documents described in clause (x) of the last paragraph of the definition of "Mortgage Requirement" as are reasonably requested by the Agent (and are available and reasonably capable of being delivered) in connection with the flood insurance due diligence of any Lender. Within ninety (90) days (or such longer period as the Agent may agree in its discretion) following such Lien Grantor's receipt from the Agent of the written notice with respect to such Material Real Property described in clause (y) of the last paragraph of the definition of "Mortgage Requirement," such Lien Grantor shall cause the Mortgage Requirement to be satisfied with respect to such Material Real Property.

(f) Notwithstanding anything to the contrary in any Loan Document, none of the Company nor any of its Subsidiaries shall be required to (i) take any action in any non-U.S. jurisdiction for the purpose of creating any security interest in any asset located outside the United States or to perfect any security interest in any asset, or to enter into any Security Document governed by the law of a jurisdiction outside the United States, (ii) enter into any issuer control agreement or similar agreement with respect to Capital Stock or other Equity Interests, (iii) enter into any control agreement with respect to any Deposit Account, Securities Account or Commodity Account, (iv) seek any landlord lien waiver, estoppel, warehouseman waiver or other collateral access or similar agreement, or (v) except as provided under Section 13, send, or permit the Agent to send, any notice to any account debtor or other contractual third party.

Section 6. [Reserved]

Section 7. *Chattel Paper and Instruments.*

Except as to actions to be taken by the Agent, each Lien Grantor represents, warrants and covenants as follows:

(a) On the Closing Date (in the case of an Original Lien Grantor) or the date on which it signs and delivers a Security Agreement Supplement (in the case of any other Lien Grantor), such Lien Grantor will deliver to the Agent as Collateral hereunder (i) all Pledged Tangible Chattel Paper, *provided* that delivery of the Pledged Tangible Chattel Paper shall be required pursuant to this paragraph only to the extent that the aggregate value of all Pledged Tangible Chattel Paper that has not been delivered would exceed \$1,000,000 and (ii) each Pledged Instrument having a value in excess of \$500,000 then owned by such Lien Grantor. Thereafter, whenever such Lien Grantor acquires any other Pledged Tangible Chattel Paper or Pledged Instrument having a value in excess of \$500,000, such Lien Grantor will immediately deliver such Pledged Tangible Chattel Paper or Pledged Instrument to the Agent as Collateral hereunder.

(b) So long as no Event of Default shall have occurred and be continuing, the Agent will, promptly upon request by the relevant Lien Grantor, make appropriate arrangements for making any Pledged Tangible Chattel Paper or Pledged Instrument available to it for purposes of presentation,

collection or renewal (any such arrangement to be effected, to the extent deemed appropriate by the Agent, against trust receipt or like document).

(c) Set forth on Schedule 6 is a complete and correct list, as of the Closing Date, of all Pledged Instruments having a value in excess of \$500,000.

(d) All Pledged Tangible Chattel Paper and Pledged Instruments owned by such Lien Grantor, if and when delivered to the Agent, will be indorsed to the order of the Agent, or accompanied by duly executed instruments of assignment, all in form and substance reasonably satisfactory to the Agent.

(e) [Reserved]

(f) Each Lien Grantor will take (or cause others to take) all actions required under UCC Section 9-105 to cause the Agent to obtain and maintain Control of any and all Electronic Chattel Paper owned by such Lien Grantor from time to time, *provided* that such Lien Grantor's actions to cause the Agent to obtain and maintain Control of such Electronic Chattel Paper shall be required pursuant to this paragraph only to the extent that the aggregate value of all Electronic Chattel Paper then owned by such Lien Grantor and not subject to the Agent's Control would exceed \$1,000,000.

Section 8. *Commercial Tort Claims.*

Each Lien Grantor represents, warrants and covenants as follows:

(a) In the case of an Original Lien Grantor, Schedule 5 accurately describes each Material Commercial Tort Claim with respect to which such Original Lien Grantor is the claimant as of the Closing Date. In the case of any other Lien Grantor, Schedule 5 to the applicable Security Agreement Supplement accurately describes each Material Commercial Tort Claim with respect to which such Lien Grantor is the claimant as of the date on which it signs and delivers such Security Agreement Supplement.

(b) If any Lien Grantor acquires a Material Commercial Tort Claim after the Closing Date (in the case of an Original Lien Grantor) or the date on which it signs and delivers a Security Agreement Supplement (in the case of any other Lien Grantor), such Lien Grantor will promptly deliver to the Agent a supplement to Schedule 5 containing a specific description of such Material Commercial Tort Claim, and shall sign and deliver to the Agent any customary document, and take all other action reasonably requested by the Agent, for the purpose of granting to the Agent, for the benefit of the Secured Parties, a security interest in such Commercial Tort Claim.

Section 9. *Recordable Intellectual Property.*

Each Lien Grantor covenants as follows:

(a) On the Closing Date (in the case of an Original Lien Grantor) or the date on which it signs and delivers a Security Agreement Supplement (in the case of any other Lien Grantor), such Lien Grantor will sign and deliver to the Agent, in appropriate form for recordation with the U.S. Patent and Trademark Office or the U.S. Copyright Office, as applicable, Intellectual Property Security Agreements with respect to all Recordable Intellectual Property then owned by it. Concurrently with (or prior to) each delivery of annual financial statements pursuant to Section 6.01(a) of the Credit Agreement, such Lien Grantor will sign and deliver to the Agent, in appropriate form for recordation with the U.S. Patent and Trademark Office or the U.S. Copyright Office, as applicable, any Intellectual Property Security Agreement necessary to grant Transaction

Liens on all Recordable Intellectual Property owned by it on December 31st of the most recently ended year covered by such financial statements that is not covered by any previous Intellectual Property Security Agreement so signed and delivered by it. In each case, such Lien Grantor will, upon the request of the Agent, promptly make all Intellectual Property Filings necessary to record the Transaction Liens on such Recordable Intellectual Property.

(b) Such Lien Grantor will notify the Agent promptly if it knows that any application or registration relating to any Recordable Intellectual Property owned or licensed by it may become abandoned or dedicated to the public, or of any adverse determination or development (including the institution of, or any adverse determination or development in, any proceeding in the United States Copyright Office, the United States Patent and Trademark Office or any court) regarding such Lien Grantor's ownership of such Recordable Intellectual Property, its right to register or patent the same, or its right to keep and maintain the same; *provided* that the foregoing shall not apply to the extent that any such event, individually or together with all such events, would not reasonably be expected to have a Material Adverse Effect.

Section 10. *[Reserved]*

Section 11. *Investment Property.*

Each Lien Grantor represents, warrants and covenants as follows:

(a) *Certificated Securities.* On the Closing Date (in the case of an Original Lien Grantor) or the date on which it signs and delivers a Security Agreement Supplement (in the case of any other Lien Grantor), such Lien Grantor will deliver to the Agent as Collateral hereunder (i) all certificates representing Pledged Certificated Securities then owned by such Lien Grantor issued by Subsidiaries of such Lien Grantor, (ii) all certificates representing other Pledged Certificated Securities the value of which exceeds \$500,000. Thereafter, whenever such Lien Grantor acquires any other certificate representing a Pledged Certificated Security issued by a Subsidiary of such Lien Grantor, or any other certificate representing Pledged Certificated Securities the value of which exceeds \$500,000, such Lien Grantor will promptly deliver such certificate to the Agent as Collateral hereunder. The provisions of this subsection are subject to the limitations in the definition of "Excluded Property".

(b) *Uncertificated Securities.* Each Lien Grantor agrees that (i) to the extent any Pledged Equity Interest in any limited liability company or limited partnership controlled now or in the future by such Lien Grantor is a "security" within the meaning of Article 8 of the UCC and is governed by Article 8 of the UCC, such Pledged Equity Interest shall be certificated and (ii) each such Pledged Equity Interest shall at all times hereafter continue to be such a security and represented by such certificate. Each Lien Grantor further agrees that with respect to any Pledged Equity Interest in any limited liability company or limited partnership controlled now or in the future by such Lien Grantor that is not a "security" within the meaning of Article 8 of the UCC, such Lien Grantor shall at no time elect to treat any such Pledged Equity Interest as a "security" within the meaning of Article 8 of the UCC, nor shall such Pledged Equity Interest be represented by a certificate, unless such Lien Grantor provides written notification to the Agent of such election and such Pledged Equity Interest is thereafter represented by a certificate that is promptly delivered to the Agent pursuant to the terms hereof.

(c) *[Reserved]*

(d) *[Reserved]*

(e) *Delivery of Pledged Certificates.* All certificates representing Pledged Certificated Securities, when delivered to the Agent, will be in suitable form for transfer by delivery, or accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance reasonably satisfactory to the Agent.

(f) *Communications.* Each Lien Grantor will promptly give to the Agent copies of any notices and other communications received by it with respect to (i) Pledged Securities registered in the name of such Lien Grantor or its nominee and (ii) Pledged Security Entitlements as to which such Lien Grantor is the Entitlement Holder, in each case while an Event of Default has occurred and is continuing.

(g) *Foreign Subsidiaries.* For the avoidance of doubt, and without limitation of the first proviso to Section 3(a), a Lien Grantor will not be obligated to comply with the provisions of this Section with respect to any voting Equity Interest in a Foreign Subsidiary if and to the extent (but only to the extent) that such voting Equity Interest is at any time excluded from the Collateral pursuant to clause (B) or clause (C) of the definition of “Excluded Property”.

Section 12. *[Reserved]*

Section 13. *Payments upon an Event of Default.*

Each Lien Grantor represents, warrants and covenants that if an Event of Default shall have occurred and be continuing, such Lien Grantor will, if requested to do so by the Agent, promptly notify (and to the extent it fails to do so promptly, such Lien Grantor authorizes the Agent to notify) and instruct each Person obligated at any time to make any payment to such Lien Grantor for any reason (including each account debtor in respect of any of its Accounts) that any payments due or to become due are to be made directly to the Collateral Account for the period during which such Event of Default is continuing.

Section 14. *Transfer of Record Ownership.*

(a) At any time when an Event of Default shall have occurred and be continuing, the Agent may (and to the extent that action by it is required, the relevant Lien Grantor, if directed to do so by the Agent, will as promptly as practicable) cause each of the Pledged Securities (or any portion thereof specified in such direction) to be (x) transferred of record into the name of the Agent or its nominee or (y) credited to the Collateral Account; *provided* that no such action shall be taken with respect to any Capital Stock of any Regulated Subsidiary unless any and all regulatory approvals required under applicable law shall have been obtained; and *provided further* that (i) to the extent any of the Pledged Securities (or a portion thereof) have been transferred of record into the name of the Agent or its nominee and (ii) no Event of Default is continuing, the Agent shall cause such Pledged Security (or a portion thereof) to be re-registered (as promptly as practicable) in the name of such Lien Grantor. Each Lien Grantor will take any and all actions reasonably requested by the Agent to facilitate compliance with this subsection.

(b) *[Reserved]*

(c) *[Reserved]*

(d) *Communications after Transfer of Record Ownership.* The Agent will promptly give to the relevant Lien Grantor copies of any notices and other communications received by the Agent with respect to (i) Pledged Securities registered in the name of the Agent or its nominee and (ii) Pledged Security Entitlements as to which the Agent or its nominee is the Entitlement Holder.

Section 15. *Right to Vote Securities.*

(a) Unless an Event of Default shall have occurred and be continuing, each Lien Grantor will have the right, from time to time, to vote and to give consents, ratifications and waivers with respect to any Pledged Security owned by it and the Financial Asset underlying any Pledged Security Entitlement owned by it, and the Agent will, upon receiving a written request from such Lien Grantor, promptly deliver (or cause to be delivered) to such Lien Grantor or as specified in such request such proxies, powers of attorney, consents, ratifications and waivers in respect of any such Pledged Security that is registered in the name of the Agent or its nominee or any such Pledged Security Entitlement as to which the Agent or its nominee is the Entitlement Holder, in each case as shall be specified in such request and be in form and substance reasonably satisfactory to the Agent. Unless an Event of Default shall have occurred and be continuing, the Agent will have no right to take any action which the owner of a Pledged Partnership Interest or Pledged LLC Interest is entitled to take with respect thereto.

(b) If an Event of Default shall have occurred and be continuing, and after written notice from the Agent to such Lien Grantor, the Agent will have the right to the extent permitted by law and not prohibited by the applicable Organization Documents to vote, to give consents, ratifications and waivers and to take any other action with respect to the Pledged Investment Property, the other Pledged Equity Interests (if any) and the Financial Assets underlying the Pledged Security Entitlements, with the same force and effect as if the Agent were the absolute and sole owner thereof, and each Lien Grantor will take all such action as the Agent may reasonably request from time to time to give effect to such right; *provided* that the Agent will not have the right to vote, to give consents, ratifications or waivers or to take any other action with respect to the Capital Stock of any Regulated Subsidiary, in each case to the extent that such action would require prior regulatory approval under applicable law, unless such approval shall have been granted.

Section 16. *Remedies upon Event of Default.*

(a) If an Event of Default shall have occurred and be continuing, the Agent may exercise (or cause its sub-agents to exercise) any or all of the remedies available to it (or to such sub-agents) under the Security Documents.

(b) Without limiting the generality of the foregoing, if an Event of Default shall have occurred and be continuing, the Agent may exercise on behalf of the Secured Parties all the rights of a secured party under the UCC (whether or not in effect in the jurisdiction where such rights are exercised) with respect to any Collateral and, in addition, the Agent may, without being required to give any notice, except as herein provided or as may be required by mandatory provisions of law, withdraw all cash held in the Collateral Account and apply such cash as provided in Section 17 and, if there shall be no such cash or if such cash shall be insufficient to pay all the Secured Obligations in full, may sell, lease, license or otherwise dispose of the Collateral or any part thereof; *provided* that the right of the Agent to sell or otherwise dispose of the Capital Stock of any Regulated Subsidiary shall be subject to the Agent or the relevant Lien Grantor obtaining, to the extent necessary under applicable law, the prior approval of such sale or other disposition by the governmental body or official having jurisdiction with respect to such Regulated Subsidiary. Notice of any such sale or other disposition shall be given to the relevant Lien Grantor(s) as required by Section 19.

(c) Without limiting the generality of the foregoing, if an Event of Default shall have occurred and be continuing:

(i) [reserved];

(ii) the Agent may (without assuming any obligation or liability thereunder), at any time and from time to time, in its sole and reasonable discretion, enforce (and shall have the exclusive right to enforce) against any licensee or sublicensee all rights and remedies of any Lien Grantor in, to and under any of its Pledged Intellectual Property and take or refrain from taking any action under any thereof, and each Lien Grantor shall indemnify the Agent and each other Secured Party to the extent provided in Sections 10.04 and 10.05 of the Credit Agreement in connection with any lawful action so taken or omitted to be taken with respect thereto; and

(iii) upon written request by the Agent (which shall not be construed as implying any limitation on its rights or powers), each Lien Grantor will execute and deliver to the Agent a power of attorney, in form and substance reasonably satisfactory to the Agent, for the implementation of any sale, lease, license or other disposition of any of such Lien Grantor's Pledged Intellectual Property or any action related thereto and shall execute and deliver to the Agent such documents as are necessary or appropriate to carry out the intent and purposes of this Section 16(c). In connection with any such disposition, but subject to any confidentiality restrictions imposed on such Lien Grantor in any license or similar agreement, such Lien Grantor will supply to the Agent its know-how and expertise relating to the relevant Intellectual Property or the products or services made or rendered in connection with such Intellectual Property, and its customer lists and other records relating to such Intellectual Property and to the manufacture, distribution, advertising and sale of said products or services.

(d) For the purpose of enabling the Agent to exercise rights and remedies under this Section 16 (including in order to take possession of, collect, receive, assemble, process, appropriate, remove, realize upon, sell, assign, license out, convey, transfer or grant options to purchase any Collateral) at such time during the continuance of an Event of Default as the Agent shall be lawfully entitled to exercise such rights and remedies, each Lien Grantor hereby grants to the Agent, for the benefit of the Secured Parties, a nonexclusive license (exercisable without payment of royalty or other compensation to such Lien Grantor), subject, in the case of Trademarks, to sufficient rights to quality control and inspection in favor of such Lien Grantor to avoid the risk of invalidation of such Trademarks, to use, practice, sublicense and otherwise exploit any and all Intellectual Property now owned or held or hereafter acquired or held by such Lien Grantor (which license shall include access to all media in which any of the licensed items may be recorded or stored and to all software and programs used for the compilation or printout thereof).

Section 17. *Application of Proceeds.*

(a) If an Event of Default shall have occurred and be continuing, the Agent may apply (i) any cash held in the Collateral Account and (ii) the proceeds of any sale or other disposition of, or any collections (including in the form of interest, dividends, redemption payments and other distributions in respect of any Equity Interests) on, all or any part of the Collateral, in the following order of priorities:

first, to pay the expenses of such sale or other disposition or collection, including reasonable compensation to agents of and counsel for the Agent, and all expenses, liabilities and advances incurred or made by the Agent in connection with the exercise of any right or remedy hereunder, and any other amounts, in each case to the extent then due and payable to the Agent pursuant Sections 10.04 or 10.05 of the Credit Agreement;

second, to pay ratably all interest (including Post-Petition Interest) on the Secured Obligations;

third, to pay the unpaid principal of the Secured Obligations ratably, until payment in full of the principal of all Secured Obligations shall have been made;

fourth, to pay all other Secured Obligations then due and payable ratably, until payment in full of all such other Secured Obligations shall have been made; and

finally, to pay to the relevant Lien Grantor, or as a court of competent jurisdiction may direct, any surplus then remaining from the proceeds of the Collateral owned by it;

provided that Collateral owned by a Subsidiary Guarantor and any proceeds thereof shall be applied pursuant to the foregoing clauses first, second, third and fourth, only to the extent permitted by the limitation in Section 2(i). The Agent may make such distributions hereunder in cash or in kind or, on a ratable basis, in any combination thereof.

(b) In making the payments and allocations required by this Section, the Agent may rely upon information supplied to it pursuant to Section 21(g). All distributions made by the Agent pursuant to this Section shall be final (except in the event of manifest error) and the Agent shall have no duty to inquire as to the application by any Secured Party of any amount distributed to it.

Section 18. *[Reserved]*

Section 19. *Authority to Administer Collateral.*

Each Lien Grantor irrevocably constitutes and appoints the Agent its true and lawful attorney, with full power of substitution, in the name of such Lien Grantor, any Secured Party or otherwise, for the sole use and benefit of the Secured Parties, but at the Company's expense, to the extent permitted by law to exercise, at any time and from time to time while an Event of Default shall have occurred and be continuing, all or any of the following powers with respect to all or any of such Lien Grantor's Collateral:

- (a) to demand, sue for, collect, receive and give acquittance for any and all monies due or to become due upon or by virtue thereof,
- (b) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto,
- (c) to sell, lease, license or otherwise dispose of the same or the proceeds or avails thereof, as fully and effectually as if the Agent were the absolute owner thereof, and
- (d) to extend the time of payment of any or all thereof and to make any allowance or other adjustment with reference thereto;

provided that, except in the case of Collateral that is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Agent will give the relevant Lien Grantor at least ten days' prior written notice of the time and place of any public sale thereof or the time after which any private sale or other intended disposition thereof will be made. Any such notice shall (i) contain the information specified in UCC Section 9-613, (ii) be Authenticated and (iii) be sent to the parties required to be notified pursuant to UCC Section 9-611(c); *provided* that, if the Agent fails to comply with this sentence in any respect, its liability for such failure shall be limited to the liability (if any) imposed on it as a matter of law under the UCC.

Section 20. *Limitation on Duty in Respect of Collateral.*

Beyond the exercise of reasonable care in the custody and preservation thereof and accounting for monies received therefrom, the Agent will have no duty as to any Collateral in its possession or control or in the possession or control of any sub-agent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Agent will be deemed to have exercised reasonable care in the custody and preservation of the Collateral in its possession or control if such Collateral is accorded treatment substantially equal to that which it accords its own property of such type and will not be liable or responsible for any loss or damage to any Collateral, or for any diminution in the value thereof, by reason of any act or omission of any sub-agent or bailee selected by the Agent in good faith, except to the extent that such liability arises from the Agent's gross negligence or willful misconduct.

Section 21. *General Provisions Concerning the Agent.*

(a) *Appointment and Authorization; "Agent"*. The Agent is hereby irrevocably appointed, designated and authorized to act as the Agent hereunder and to take such actions under the provisions of this Agreement and each other Security Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Security Document, together with such actions and powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary herein or in any other Security Document, no Agent-Related Person shall have any duties or obligations, except those expressly set forth herein, nor shall the Agent have or be deemed to have any fiduciary relationship with any Secured Party, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Security Document or otherwise exist against the Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Security Documents with reference to the Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) *Delegation of Duties*. The Agent may execute any of its duties under this Agreement or any other Security Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The exculpatory provisions of Section 20 and this Section shall apply to any such agent, employee or attorney-in-fact.

(c) *Liability of Agent*. No Agent-Related Person shall (i) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Security Document or the transactions contemplated hereby (except for its own gross negligence, willful misconduct, or material breach of its obligations set forth in the Loan Documents or required by applicable law) or (ii) be responsible in any manner to any Secured Party for any recital, statement, representation or warranty made by the Company or any Subsidiary or Affiliate thereof, or any officer thereof, contained herein or in any other Security Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Agent under or in connection with, this Agreement or any other Security Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Security Document, or for any failure of the Company or any Subsidiary or Affiliate thereof or any other party to any Security Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Secured Party to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Security Document, or to inspect the properties, books or

records of the Company or any Subsidiary or Affiliate thereof. The Agent shall not be responsible for the existence, genuineness or value of any Collateral or for the validity, perfection, priority or enforceability of any Transaction Lien, whether impaired by operation of law or by reason of any action or omission to act on its part under the Security Documents.

(d) *Reliance by Agent.* The Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to the Company or any Subsidiary), independent accountants and other experts selected by the Agent. The Agent shall be fully justified in failing or refusing to take any action under any Security Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Secured Parties against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. As against the Secured Parties, the Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Security Document in accordance with a request or consent of the Required Lenders (or such other number of Lenders as may be expressly required hereby or by the Credit Agreement in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Secured Parties.

(e) *Notice of Default.* The Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Agent for the account of the Lenders, unless the Agent shall have received written notice from a Secured Party or the Company referring to the Credit Agreement, describing such Default and stating that such notice is a “notice of default”. The Agent will notify the Secured Parties of its receipt of any such notice. The Agent shall take such action with respect to such Default as may be directed by the Required Lenders in accordance with Article 8 of the Credit Agreement; *provided, however*, that unless and until the Agent has received any such direction, the Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable or in the best interest of the Secured Parties.

(f) *Agent in Individual Capacity.* JPMorgan and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Company or any of its Subsidiaries and their respective Affiliates as though JPMorgan were not the Agent hereunder and without notice to or consent of the Secured Parties. The Secured Parties acknowledge that, pursuant to such activities, JPMorgan or its Affiliates may receive information regarding the Company or its Subsidiaries or Affiliates (including information that may be subject to confidentiality obligations in favor of the Company, such Subsidiary or such Affiliate) and acknowledge that the Agent shall be under no obligation to provide such information to them. With respect to its Loans and Commitments, JPMorgan shall have the same rights and powers under this Agreement as any other Secured Party and may exercise such rights and powers as though it were not the Agent, and the terms “Secured Party” and “Secured Parties” include JPMorgan in its individual capacity.

(g) *Information as to Secured Obligations and Actions by Secured Parties.* For all purposes of the Security Documents, including determining the amounts of the Secured Obligations or whether any action has been taken under any Secured Agreement, the Agent will be entitled to rely on information from (i) its own records for information as to the Lenders, their Secured Obligations and actions taken by them; (ii) any Secured Party for information as to its Secured Obligations and actions taken by it, to the

extent that the Agent has not obtained such information from the foregoing sources; and (iii) the Company, to the extent that the Agent has not obtained such information from the foregoing sources.

(h) Within two Business Days after it receives or sends any notice referred to in this subsection, the Agent shall send copies of any notice given by the Agent to any Lien Grantor, or received by it from any Lien Grantor, pursuant to Sections 16, 17, 19 or 22, to any Secured Party that has, at least five Business Days prior thereto, delivered to the Agent a written notice (i) stating that it holds one or more Secured Obligations and wishes to receive copies of such notices and (ii) setting forth its address, facsimile number and electronic mail address to which copies of such notices should be sent.

(i) The Agent may refuse to act on any notice, consent, direction or instruction from any Secured Parties or any agent, trustee or similar representative thereof that, in the Agent's opinion, (i) is contrary to law or the provisions of any Security Document, (ii) may expose the Agent to liability (unless the Agent shall have been indemnified, to its reasonable satisfaction, for such liability by the Secured Parties that gave such notice, consent, direction or instruction) or (iii) is unduly prejudicial to Secured Parties not joining in such notice, consent, direction or instruction.

Section 22. *Termination of Transaction Liens; Release of Collateral.*

(a) The Transaction Liens granted by each Subsidiary Guarantor shall terminate automatically and without any action by the Agent or any other Secured Party when its Secured Guarantee is released pursuant to Section 2(c).

(b) The Transaction Liens granted by the Company shall terminate automatically and without any action by the Agent or any other Secured Party when all the Release Conditions are satisfied in full.

(c) Concurrently with any transfer, sale or other disposition (except a sale or disposition to another Lien Grantor) of any Collateral as part of or in connection with any transfer, sale, or other disposal permitted under the Loan Documents, the Transaction Liens on the Collateral so transferred, sold or otherwise disposed of (but not in any Proceeds arising from such sale or disposition) shall terminate automatically without any action by the Agent or any other Secured Party. If any Collateral shall at any time become Excluded Property in accordance with the terms of the Loan Documents, the Transaction Liens on such Collateral shall terminate automatically without any action by the Agent or any other Secured Party.

(d) Upon any termination of a Transaction Lien or release of Collateral, the Agent will, at the expense of the Company, execute and deliver to such Lien Grantor such documents as such Lien Grantor shall reasonably request to evidence the termination of such Transaction Lien or the release of such Collateral, as the case may be; *provided* that if the Agent does not file a UCC termination statement within 5 days after the Agent receives an authenticated demand for such termination from the relevant Lien Grantor following such termination of a Transaction Lien or release of Collateral, then such Lien Grantor may file such UCC termination statement in accordance with Section 9-509(d)(2) of the UCC.

Section 23. *Additional Subsidiary Guarantors and Lien Grantors.*

Any Subsidiary may become a party hereto by signing and delivering to the Agent a Security Agreement Supplement, whereupon such Subsidiary shall become a "Subsidiary Guarantor" and a "Lien Grantor" as defined herein.

Section 24. *Notices.*

(a) Unless otherwise expressly provided herein, all notices and other communications provided for hereunder shall be given in accordance with Section 10.02 of the Credit Agreement (it being understood that any such notices or other communications to any Subsidiary Guarantor shall be delivered to the care of the Company as set forth in Section 10.02 of the Credit Agreement, to be forwarded by the Company to such Subsidiary Guarantor at its address, facsimile number, electronic mail address or telephone number designated by such party in a notice to the Company).

(b) This Agreement and the other Security Documents may be transmitted and/or signed by facsimile or PDF delivered by electronic mail. The effectiveness of any such documents and signatures shall, subject to applicable law, have the same force and effect as manually-signed originals and shall be binding on the Company, all Subsidiary Guarantors, the Secured Parties and the Agent. The Agent may also require that any such documents and signatures be confirmed by a manually-signed original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature transmitted and/or signed by facsimile or PDF delivered by electronic mail.

(c) [Reserved]

(d) The Agent and the Lenders shall be entitled to rely and act upon any notices reasonably believed to be given by or on behalf of the Company or any Subsidiary Guarantor even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. To the extent provided in Section 10.05 of the Credit Agreement, the Company and the Subsidiary Guarantors shall jointly and severally indemnify each Agent-Related Person and each Secured Party and each Related Party thereto from all losses, costs, out-of-pocket expenses and liabilities resulting from the reliance by such Person on any notice reasonably believed to be given by or on behalf of the Company or any Subsidiary Guarantor. All telephonic notices to and other communications with the Agent may be recorded by the Agent, and each of the parties hereto hereby consents to such recording.

Section 25. *No Implied Waivers; Remedies Not Exclusive.*

No failure by the Agent or any Secured Party to exercise, and no delay in exercising and no course of dealing with respect to, any right or remedy under any Security Document shall operate as a waiver thereof; nor shall any single or partial exercise by the Agent or any Secured Party of any right or remedy under any Loan Document preclude any other or further exercise thereof or the exercise of any other right or remedy. The rights and remedies specified in the Loan Documents are cumulative and are not exclusive of any other rights or remedies provided by law.

Section 26. *Successors and Assigns.*

This Agreement is for the benefit of the Agent and the Secured Parties. If all or any part of any Secured Party's interest in any Secured Obligation is assigned or otherwise transferred, in each case in accordance with Section 10.07 of the Credit Agreement, the transferor's rights hereunder, to the extent applicable to the obligation so transferred, shall be automatically transferred with such obligation. This Agreement shall be binding on the Lien Grantors and their respective successors and assigns.

Section 27. *Amendments and Waivers.*

Neither this Agreement nor any provision hereof may be waived, amended, modified or terminated except pursuant to an agreement or agreements in writing entered into by the parties hereto,

with the consent of such Lenders as are required to consent thereto under Section 10.01 of the Credit Agreement.

Section 28. *Choice of Law.*

This Agreement shall be construed in accordance with and governed by the laws of the State of New York.

Section 29. *Waiver of Jury Trial.*

EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY SECURITY DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY SECURITY DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT AND THE OTHER SECURITY DOCUMENTS.

Section 30. *Severability.*

If any provision of any Security Document is invalid or unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (i) the other provisions of the Security Documents shall remain in full force and effect in such jurisdiction and shall be liberally construed in favor of the Agent and the Secured Parties in order to carry out the intentions of the parties hereto or thereto as nearly as may be possible and (ii) the invalidity or unenforceability of such provision in such jurisdiction shall not affect the validity or enforceability thereof in any other jurisdiction.
