March 26, 2020

EMERYVILLE, Calif., March 26, 2020 (GLOBE NEWSWIRE) -- [National Mortgage Insurance Corporation \(National MI\)](#), a subsidiary of NMI Holdings, Inc., (NASDAQ: NMIH) was today named to Fortune Magazine's list of the "30 Best Small and Medium Workplaces in Financial Services & Insurance."

*Fortune Magazine* partners with Great Place to Work to come up with the Best Workplaces in Financial Services & Insurance. To determine the 2020 list, Great Place to Work® analyzed anonymous survey feedback representing nearly 780,000 employees working in the financial services and insurance industry in the United States. Companies with 10 to 999 people were considered for the small and medium category.

Eighty-five percent of the evaluation is based on what employees say about their experiences of trust and reaching their full human potential as part of their organization, no matter who they are or what they do. The remaining 15 percent of the rank is based on an assessment of all employees' daily experiences of innovation, the company's values, and the effectiveness of their leaders, to ensure they're consistently experienced.

"National MI is delighted to make the list of *Fortune's* Best Workplaces in Financial Services and Insurance," said Claudia Merkle, CEO of National MI.
